AIRMAIL

Honorable Mariner Eccles
Federal Reserve Board
Washington, D. C.

Dear Sir:

Several weeks ago you appeared before a Committee of the Congress and gave some very interesting testimony in regard to financial matters of the country and fiscal operations of the government and your Board. Out here we saw very little about it in the papers, getting a smattering from the radio, and from we heard, your remarks must have been quite interesting and informative.

For a group of younger veterans, I am requesting a full copy of your testimony of three or four days as I recall, or whatever extent it covered. And if you have other comments available in regard to fiscal policies or can give references, they would be appreciated.

Sincerely yours,

Linn Scherer

Dear Mr. Scherer:

This is to acknowledge your letter of August 16 to Mr. Eccles, who is on a visit in the West.

He requested me to send you copies of the testimony before the Senate and House Banking and Currency Committees. The copies have just come from the Government Printing Office, which accounts for the delay in responding to your inquiry.

Sincerely yours,

(Signed) Elliott Thurston
