BANK OF RUSHVILLE
Capital $120,000

Rushville, Ill., March 11, 1920

Rand McNally & Co.
Chicago, Ill.

Gentlemen:-

Please supply us with about three hundred (300) cards like specimen enclosed, which we have been sending out in reply to requests for ratings.

It might interest you to know that we have sent these out with our replies in every case where we have answered requests for ratings and believe that without a single exception we have received proper compensation for our services by stamps sent in return. Many of the firms that we have served have commented favorably on the system which we use, and only recently a card came back with this notation. "We enclose 25c for report and assure you that we are glad to do it. Wish all banks would use the same system". We are so pleased with them that we are glad to give you this information.

Yours very truly,
J. H. YOUNG, Asst. Cashier.

If you are not using a ***bold*** type for your name in our list, you should write for terms.

Remember

The Rand McNally Bankers Directory has a larger paid circulation than all other bank directories combined.

Three times larger than its nearest competitor.

First in accuracy and reliability.

The publishers are constantly adding new and exclusive features at great expense.

For example we mention the following data no similar publication gives.

1. Shows Federal Reserve District each town is in.
2. Shows what banks are members of Federal Reserve System.
3. Show all banks that have gone out of existence within the past twelve months—tells you whether they closed, merged with another bank or changed their name
4. Shows you what banks have trust departments.
5. Shows you what banks have savings departments.
