Bonded Attorneys Insure Your Collections

What Forwarders say:

Des Moines, Iowa.
"I find that your representatives, as a rule, are attorneys of the highest order."

Bainbridge, Ga.
"In connection with your bonded list, we feel sure if you will continue your effort it will, in the course of a very short time, be among the leading lists of the country."

Charleston, S. C.
"We are using your list whenever possible. We believe it to be an excellent medium."

Bellingham, Wash.
"I want to write you to state that I think you are going at this matter in the right spirit and that ultimately Rand McNally's should be one of the very best forwarding lists we have."

Deadwood, S. D.
"Of course what the forwarder, whether he has much or little business wants, is service, and we are confident that your list contains the names of aggressive and qualified attorneys."

Gulfport, Miss.
"I am using altogether for forwarding business your list. I have found it of great value to our office, and find that persons you recommend are prompt, efficient and reliable."

Waco, Texas.
"I believe you have the best proposition as a business getter for the Commercial Attorney on the market and I believe you are going to develop it into the best attorneys list."

Hillsboro, Texas
"I want to assure you of my appreciation of your untiring efforts to make the Rand McNally Attorneys list one of the most popular and reliable lists in the country."

Knoxville, Tenn.
"We fully appreciate the value of your work and shall be pleased to send a fair share of our business through your attorneys."

Louisville, Ky.
"We invariably use Rand McNally's Bonded List. In our judgment it is superior to any list of attorneys our long experience has."

Nature of Bond

The Publishers of this Directory have paid for and have in their possession a Surety Bond of The American Surety Company of New York on all Attorneys whose names appear in the Attorney List (excepting those listed under the heading "Foreign Attorneys") made to them as Trustee for the Forwarders of Business to Bonded Attorneys in the Rand McNally List of Attorneys.

Amount of Bond

Each Attorney in this List (excepting those listed under heading "Foreign Attorneys") is bonded for the sum of two thousand dollars.

Coupons must be used

All business forwarded to Attorneys must be accompanied by the coupon provided for that purpose, opposite beginning of the List, and the notification coupon must be properly filled out and forwarded to the Publishers at Chicago within thirty days after the forwarding of the claim to the Attorney. Additional books of coupons furnished upon request, free of charge.

Coupons Inserted in Bankers Directory for use of Clients

Each Attorney in our List (excepting those listed under heading "Foreign Attorneys") is bonded by The American Surety Company of New York for the sum of two thousand dollars. Any one having business to forward to any Attorney in excess of the amount of the bond on said Attorney, may upon application in writing have the Attorney's bond increased.

The publishers have caused this bond to be taken out with a Surety Company, because, on account of the nature of its business, it is in a better position than are the Publishers to protect subscribers. The American Surety Company of New York (Capital and Surplus over $6,000,000) has been chosen because of its exceptional strength and its promptness in meeting just claims.

The Rand McNally Bankers Directory and Bankers Register with List of Attorneys has the largest paid subscription list of any similar publication. Its subscribers represent more capital than those of all other lists combined. We hope to be able to bring our lawyers, our banks, and our commercial houses together and to build up a big community of interest to the mutual benefit of all.

To this end, we urge all subscribers to use these bonded lawyers whenever it is possible. Business begets business, and lawyers should cooperate with each other.

In using our List subscribers are protected by the bond and the high character of the Attorneys.

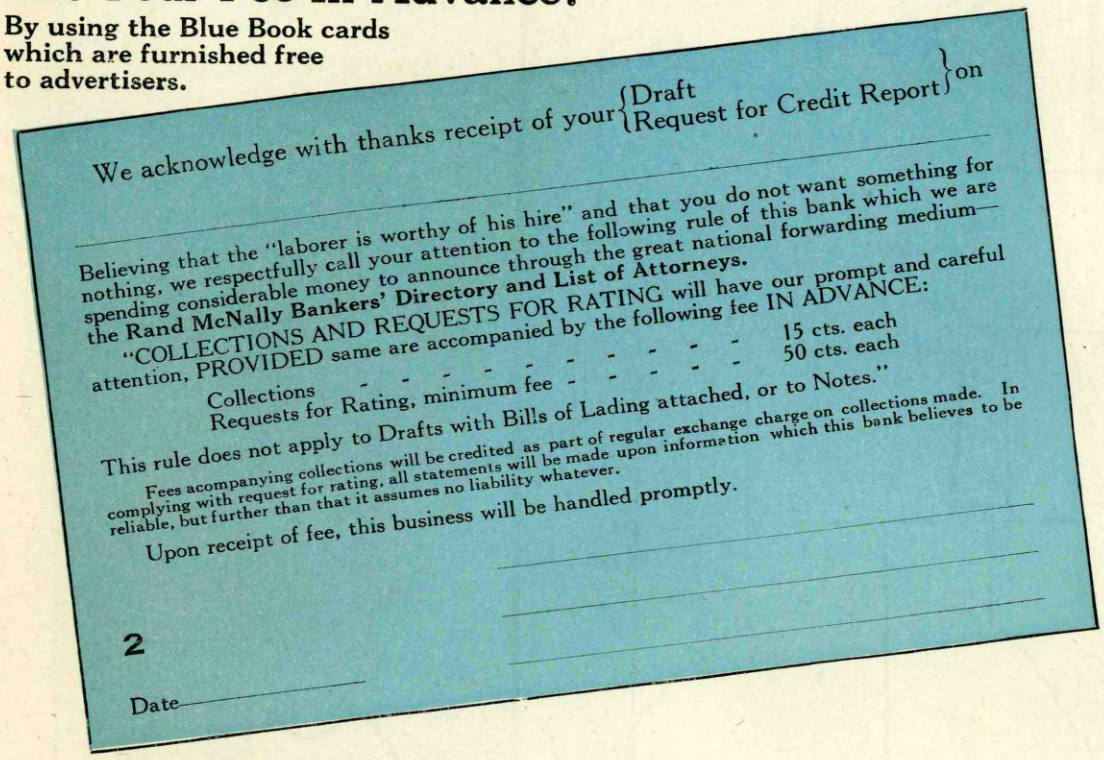
Make the D. H. Collections Pay for Your BLUE BOOK

Do you spend an hour or more of your time every day working for "strangers" for nothing at an expense of both time and money to your Bank? Hundreds of banks will have to answer "yes" to the above question and thousands will answer "no, not any more" because they use the RAND McNALLY BANKERS DIRECTORY BLUE BOOK SYSTEM in handling their incoming collections and letters requesting credit information and reports.

Get Your Fee In Advance!

By using the Blue Book cards which are furnished free to advertisers.



We acknowledge with thanks receipt of your {Draft / Request for Credit Report} on

Believing that the "laborer is worthy of his hire" and that you do not want something for nothing, we respectfully call your attention to the following rule of this bank which we are spending considerable money to announce through the great national forwarding medium—the **Rand McNally Bankers' Directory and List of Attorneys.**

"COLLECTIONS AND REQUESTS FOR RATING will have our prompt and careful attention, PROVIDED same are accompanied by the following fee IN ADVANCE:

Collections - - - - - - - - - - - 15 cts. each
Requests for Rating, minimum fee - - - - - - 50 cts. each

This rule does not apply to Drafts with Bills of Lading attached, or to Notes."

Fees acompanying collections will be credited as part of regular exchange charge on collections made. In complying with request for rating, all statements will be made upon information which this bank believes to be reliable, but further than that it assumes no liability whatever.

Upon receipt of fee, this business will be handled promptly.

How to Use These Cards Successfully

FOR CREDIT REPORTS

On receipt of inquiry return the post card with one cent stamp or enclose in inquirer's stamped envelope if one is enclosed, and retain the inquiry itself. In cases where you know your local customer has refered inquirer to you, most banks make out the report and return with card enclosed.

ON SIGHT DRAFTS

The most advisable system is to endeavor to collect draft if same is or is not accompanied by presentation fee of 15c. Then if draft is paid, deduct your usual exchange charges. If draft is not paid retain the draft and return only the post card. On receipt of the 15c fee then return the draft with reason for non-payment.

EXCHANGE CHARGES

The following rates have been suggested as fair to both banks and forwarders. One-tenth of one per cent on all collections, minimum fee 25c, except on plain sight drafts covering a past due account. In this latter case the usual charge is one per cent of amount collected, minimum charge 25c.

The Wall Street of BANK INFORMATION

As all threads of the financial fabric lead to Wall Street, so do the questions which arise hourly in the banker's business lead to RAND McNALLY—the bank information center of the continent.

Through over fifty years the RAND McNALLY & COMPANY publications for bankers have answered the queries, Where? Who? What?—instantly, accurately and completely.

The RAND McNALLY service to bankers is older than five-sixths of the banks of America. The growth of this service has anticipated, step by step, the evolution of the need which prompted its inception.

As the bed-rock foundations and aspiring marble columns of Wall Street symbolize the integrity and vision of the financial world, so the name RAND McNALLY guarantees fidelity to the trust with which it is so closely associated.

Advertising That Pays The Hustling Bank.

HUNDREDS of letters from bankers throughout the United States prove that the use of "Small Caps" in black type is the best money-making advertising in the bank field.

BANK OF RUSHVILLE
Capital $120,000

Rushville, Ill., March 11, 1920

Rand McNally & Co.
Chicago, Ill.

Gentlemen:-

Please supply us with about three hundred (300) cards like specimen enclosed, which we have been sending out in reply to requests for ratings.

It might interest you to know that we have sent these out with our replies in every case where we have answered requests for ratings and believe that without a single exception we have received proper compensation for our services by stamps sent in return. Many of the firms that we have served have commented favorably on the system which we use, and only recently a card came back with this notation. "We enclose 25c for report and assure you that we are glad to do it. Wish all banks would use the same system". We are so pleased with them that we are glad to give you this information.

Yours very truly,
J. H. YOUNG, Asst. Cashier.

If you are not using a ***bold*** type for your name in our list, you should write for terms.

interest.

Earnings of the banks came largely from interest and discount. Mr. Williams said, "although a total of $97,000,000 was obtained from exchange and collection charges and other miscellaneous sources.

...ged off by the

$97,000,000 from Collections Exchange, Etc.

In a statement recently made by the Comptroller of the Currency the above figures were quoted as to National banks, only. The state and private banks probably earned as much or more. Are YOU getting your share of this vast sum? Every bank advertising in this directory is sharing in it. Collections are naturally sent to those banks advertising the fact that they specialize in prompt collection service.

Look over the bank list in this BLUE BOOK and see the thousands of banks that are awake to the possibility of making the collection department an income producer.

The cost is insignificant when the returns are considered.

Let us tell you of the Success of Our Fee-In-Advance System—It Pays Others—Why Not YOU?

The Wall Street of BANK INFORMATION

As all threads of the financial fabric lead to Wall Street, so do the questions which arise hourly in the banker's business lead to RAND McNALLY—the bank information center of the continent.

Through over fifty years the RAND McNALLY & COMPANY publications for bankers have answered the queries, Where? Who? What?—instantly, accurately and completely.

The RAND McNALLY service to bankers is older than five-sixths of the banks of America. The growth of this service has anticipated, step by step, the evolution of the need which prompted its inception.

As the bed-rock foundations and aspiring marble columns of Wall Street symbolize the integrity and vision of the financial world, so the name RAND McNALLY guarantees fidelity to the trust with which it is so closely associated.

interest.

Earnings of the banks came largely from interest and discount. Mr. Williams said, "although a total of $97,000,000 was obtained from exchange and collection charges and other miscellaneous sources.

...ged off by the

$97,000,000 from Collections Exchange, Etc.

In a statement recently made by the Comptroller of the Currency the above figures were quoted as to National banks, only. The state and private banks probably earned as much or more. Are YOU getting your share of this vast sum? Every bank advertising in this directory is sharing in it. Collections are naturally sent to those banks advertising the fact that they specialize in prompt collection service.

Look over the bank list in this BLUE BOOK and see the thousands of banks that are awake to the possibility of making the collection department an income producer.

The cost is insignificant when the returns are considered.

Let us tell you of the Success of Our Fee-In-Advance System—It Pays Others—Why Not YOU?

Remember

The Rand McNally Bankers Directory has a larger paid circulation than all other bank directories combined.

Three times larger than its nearest competitor.

First in accuracy and reliability.

The publishers are constantly adding new and exclusive features at great expense.

For example we mention the following data no similar publication gives.

1. Shows Federal Reserve District in which each town is located.
2. Shows what banks are members of Federal Reserve System.
3. Shows all banks that have gone out of existence within the past six months—tells you whether they closed, merged with another bank or changed their name.
4. Shows new banks by a special emblem, when first appearing in the Directory.
5. Shows you what banks have trust departments.
6. Shows you what banks have savings departments.

The Wall Street of BANK INFORMATION

As all threads of the financial fabric lead to Wall Street, so do the questions which arise hourly in the banker's business lead to RAND McNALLY—the bank information center of the continent.

Through over fifty years the RAND McNALLY & COMPANY publications for bankers have answered the queries, Where? Who? What?—instantly, accurately and completely.

The RAND McNALLY service to bankers is older than five-sixths of the banks of America. The growth of this service has anticipated, step by step, the evolution of the need which prompted its inception.

As the bed-rock foundations and aspiring marble columns of Wall Street symbolize the integrity and vision of the financial world, so the name RAND McNALLY guarantees fidelity to the trust with which it is so closely associated.

THE ATLANTA AND LOWRY NATIONAL BANK, Atlanta, Ga. THE OLDEST NATIONAL BANK IN THE COTTON STATES

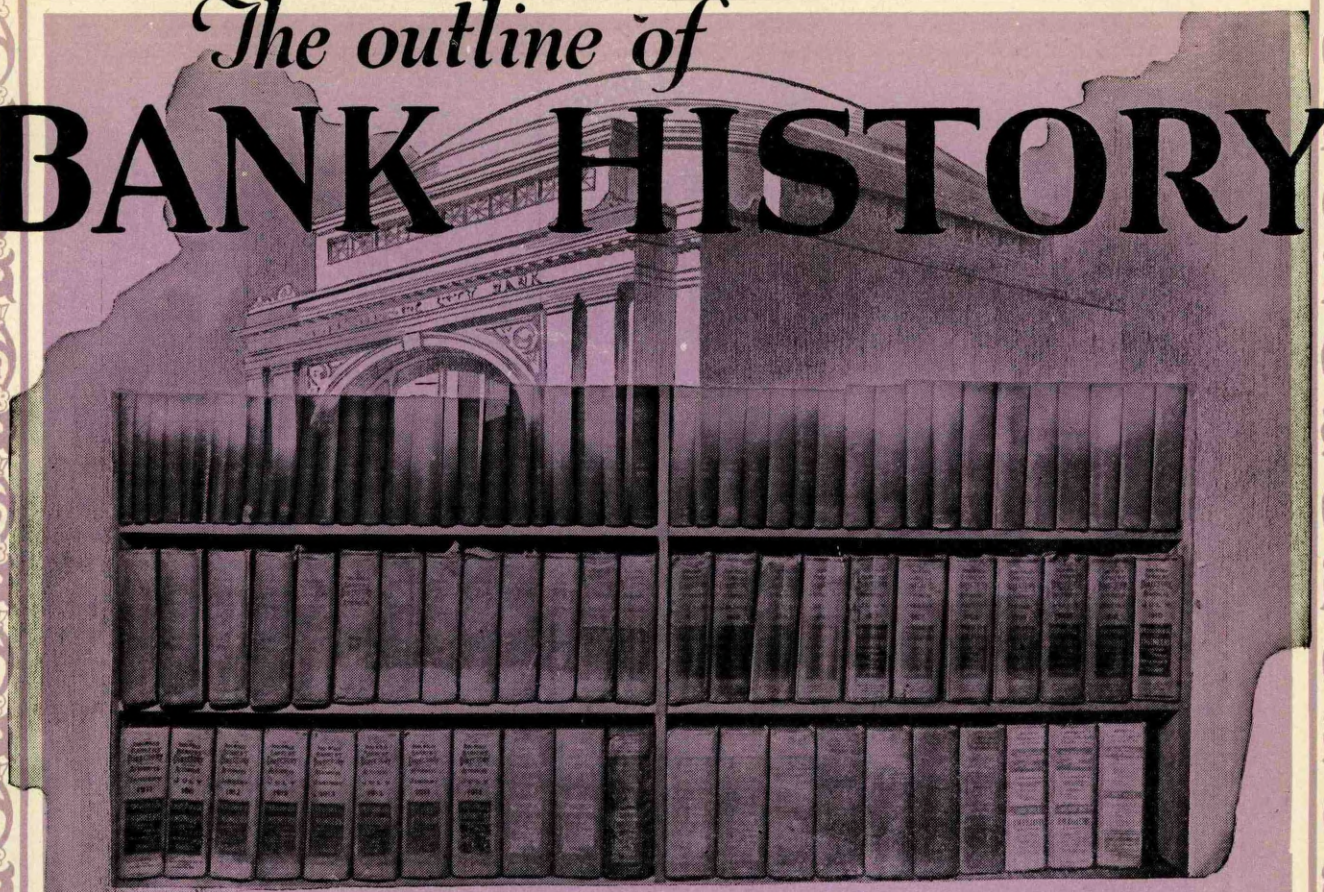
The outline of
BANK HISTORY



THESE three long shelves of books—RAND McNALLY Bankers Directories from 1872 to 1923—represent the evolution of financial America through over half a century.

They picture not only the growth of banks in size and numbers, but symbolize a service which has been contemporaneous with fifty-two years of banking progress.

Back of every RAND McNALLY bank publication lies the accumulated experience gained in rendering this service. When the first Bankers Directory was compiled in 1872, certain unchanging truths in the bank field were learned. Year by year this knowledge has expanded.

Your subscription for any RAND McNALLY bank publication is a draft on unmatched resources of bank information.

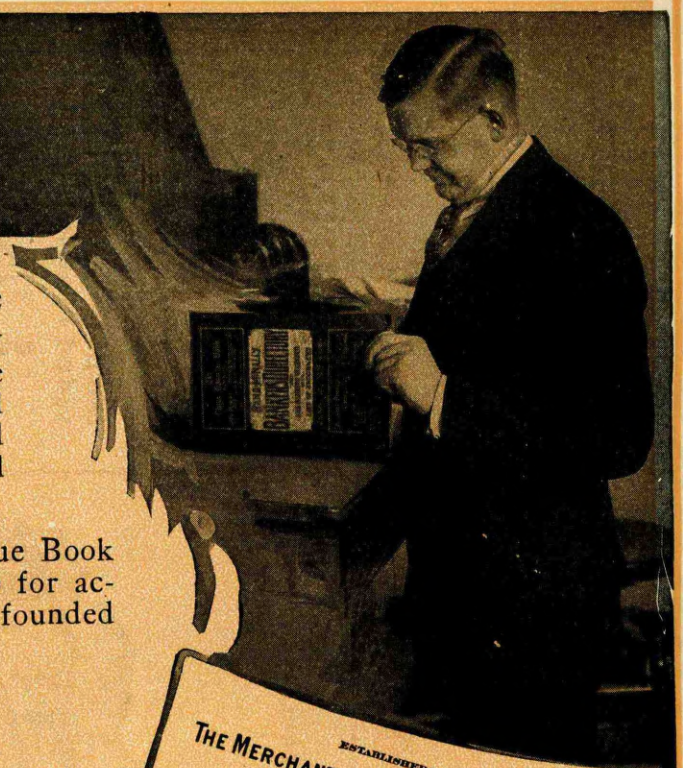
Not an Error in 14 Years

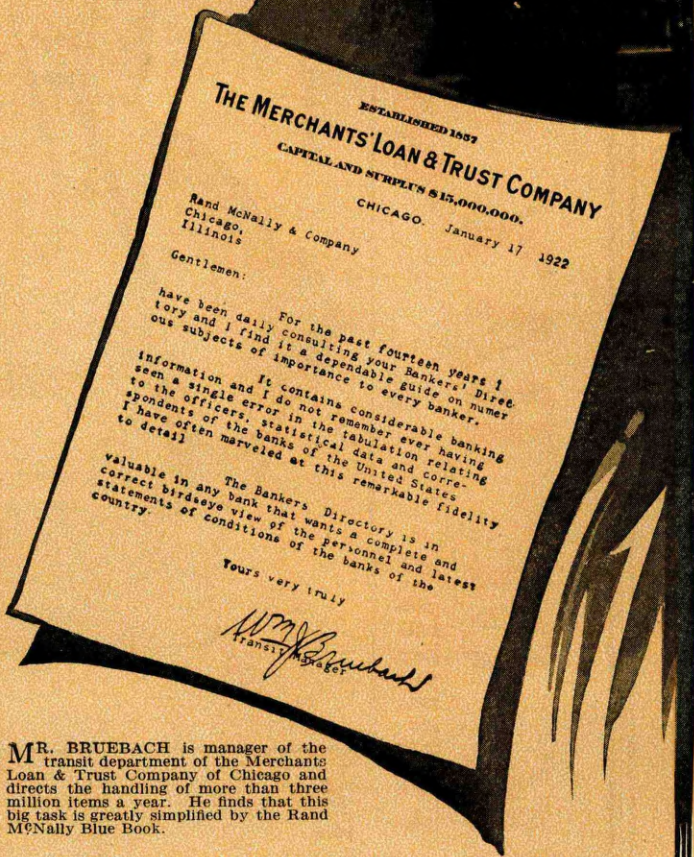


THIS is the remarkable record of the Rand McNally Blue Book in the experience of one banker who has consulted it daily, and to this individual record can be added similar recognition from bankers all over the United States.

Honestly revised twice a year, the Blue Book has maintained undisputed leadership for accuracy and dependability since it was founded over 50 years ago.

The Blue Book is invaluable in every bank because

—it speeds up collection service
—it simplifies the routing of items
—it gives the latest statements of condition of all banks
—it contains an up-to-date list of executive officers
—it furnishes a correct list of all the correspondents of every bank
—it facilitates the making of the most direct connections at the least cost
—it has four times the circulation of any similar publication
—it contains maps of every state in the country in county outline
—it contains a complete showing of all banks, national, state, savings and trust companies in the United States as well as Canadian banks; together with a selected list of foreign banks and American investment bankers



ESTABLISHED 1857

THE MERCHANTS' LOAN & TRUST COMPANY

CAPITAL AND SURPLUS $15,000,000.

CHICAGO. January 17 1922

Rand McNally & Company
Chicago,
Illinois

Gentlemen:

For the past fourteen years I have been daily consulting your Bankers' Directory and I find it a dependable guide on numerous subjects of importance to every banker.

It contains considerable banking information and I do not remember ever having seen a single error in the tabulation relating to the officers, statistical data and correspondents of the banks of the United States. I have often marveled at this remarkable fidelity to detail

The Bankers Directory is invaluable in any bank that wants a complete and correct birdseye view of the personnel and latest statements of conditions of the banks of the country.

Yours very truly

Transit Dept.

MR. BRUEBACH is manager of the transit department of the Merchants Loan & Trust Company of Chicago and directs the handling of more than three million items a year. He finds that this big task is greatly simplified by the Rand McNally Blue Book.

Banks, like all other lines of business, have undergone sharp readjustments during the past year, and the next Blue Book coming off the press will be especially valuable because it will give in detail the scope of these changes. The latest statements of condition, every change in executive personnel, every recent merger will be shown.

The Blue Book is sold on subscription only. The edition is limited and we suggest that you place your order now to make sure of a copy.
