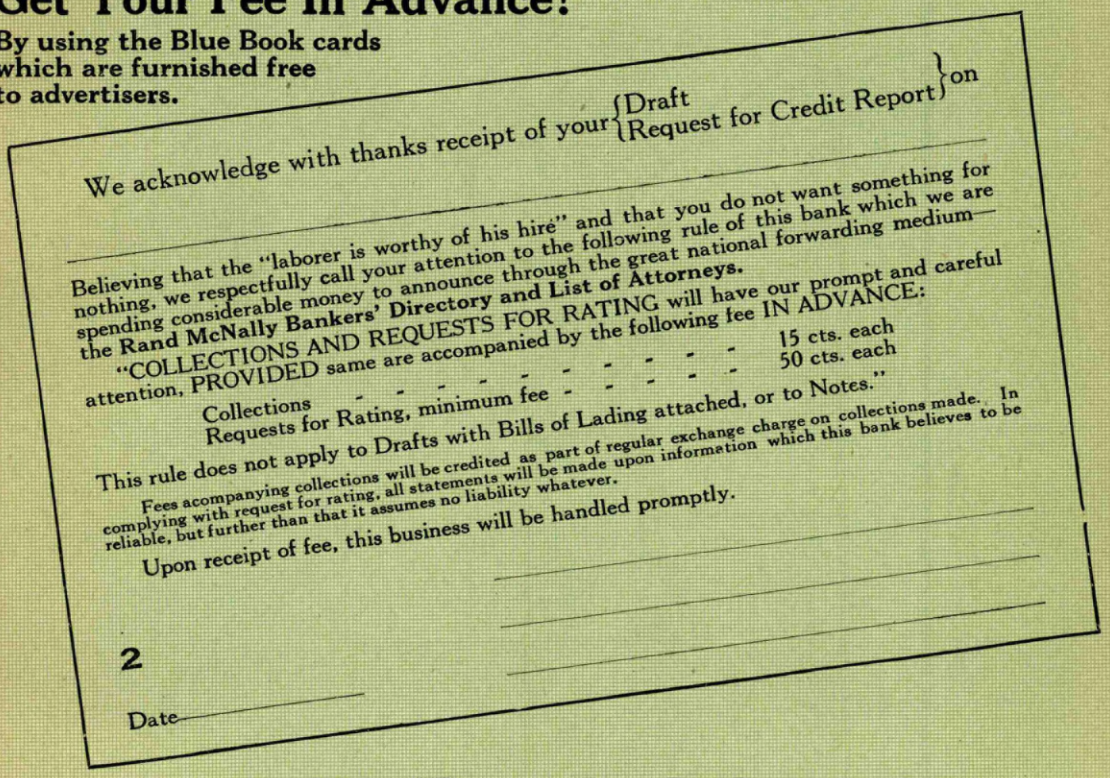
Make Collections and Credit Information Fees *Pay for Your* BLUE BOOK

Do you spend an hour or more of your time every day working for "strangers" for nothing at an expense of both time and money to your Bank? Hundreds of banks will have to answer "yes" to the above question and thousands will answer "no, not any more" because they use the RAND McNALLY BANKERS DIRECTORY BLUE BOOK SYSTEM in handling their incoming collections and letters requesting credit information and reports.

Get Your Fee In Advance!

By using the Blue Book cards which are furnished free to advertisers.



We acknowledge with thanks receipt of your {Draft / Request for Credit Report} on

Believing that the "laborer is worthy of his hire" and that you do not want something for nothing, we respectfully call your attention to the following rule of this bank which we are spending considerable money to announce through the great national forwarding medium the **Rand McNally Bankers' Directory and List of Attorneys.**

"COLLECTIONS AND REQUESTS FOR RATING will have our prompt and careful attention, PROVIDED same are accompanied by the following fee IN ADVANCE:

Collections - - - - - - - - - - 15 cts. each
Requests for Rating, minimum fee - - - - - - 50 cts. each

This rule does not apply to Drafts with Bills of Lading attached, or to Notes."

Fees acompanying collections will be credited as part of regular exchange charge on collections made. In complying with request for rating, all statements will be made upon information which this bank believes to be reliable, but further than that it assumes no liability whatever.

Upon receipt of fee, this business will be handled promptly.

How to Use These Cards Successfully

FOR CREDIT REPORTS

On receipt of inquiry return the post card with two cent stamp or enclose in inquirer's stamped envelope if one is enclosed, and retain the inquiry itself. In cases where you know your local customer has referred inquirer to you, most banks make out the report and return with card enclosed.

ON SIGHT DRAFTS

The most advisable system is to endeavor to collect draft if same is or is not accompanied by presentation fee of 15c. Then if draft is paid, deduct your usual exchange charges. If draft is not paid retain the draft and return only the post card. On receipt of the 15c fee then return the draft with reason for non-payment.

EXCHANGE CHARGES

The following rates have been suggested as fair to both banks and forwarders. One-tenth of one per cent on all collections, minimum fee 25c, except on plain sight drafts covering a past due account. In this latter case the usual charge is one per cent of amount collected, minimum charge 25c.

STANDARDIZE ON THE BANKERS DIRECTORY

STANDARDIZATION equipment means efficiency and economy in bank operation. You probably know that every officer and employee of your bank who uses a bankers directory wants *The* Bankers Directory—Rand McNally's Blue Book. You will be following the precedent set by Executives of practically all important American banks when you standardize on the Bankers Directory for inside equipment, outside information and inter-bank publicity.

"The Laborer is Worthy of His Hire"

THE "Fee in Advance" System, inaugurated ten years ago by the BANKERS DIRECTORY, is one of the most appreciated innovations in the bank field as it assures profitable co-operation between the bankers and the Directory.

To our advertisers the card below is furnished free:

We acknowledge with thanks receipt of your {Draft / Request for Credit Report} on

Believing that the "laborer is worthy of his hire" and that you do not want something for nothing, we respectfully call your attention to the following rule of this bank which we are spending considerable money to announce through the great national forwarding medium — the Rand-McNally Bankers Directory and List of Attorneys.

"COLLECTIONS AND REQUESTS FOR RATING will have our prompt and careful attention, PROVIDED same are accompanied by the following fee IN ADVANCE:

Collections	15 cts. each
Requests for Rating, minimum fee	25 cts. each

This rule does not apply to Drafts with Bills of Lading attached, or to Notes."

Fees accompanying collections will be credited as part of regular exchange charge on collections made. In complying with request for rating, all statements will be made upon information which this bank believes to be reliable, but further than that it assumes no liability whatever.

Upon receipt of fee, this business will be handled promptly.

Date_____

W. K. Bowman, Sec., The Kansas Bankers Association, says:

"The handling of collections is an incident of the banking business and while ofttimes a source of profit, it becomes quite as frequently unprofitable in that so great a number of sight drafts received for collection are received, entered, presented and returned unpaid either for a good reason, an indifferent reason or no reason at all, notwithstanding the bank has performed all its duties as promptly and as skilfully as if the item had been paid. The bank is out its time, labor and return postage. The loss from this source greatly diminishes the net profit on the volume of collections actually made.

"The Rand McNally Company, publishers of one of the leading, if not in fact the leading bank directory, offers a suggestion worthy of consideration. This valuable publication circulates not only among the banks of the the country, but has a wide and ever increasing circulation among the jobbers and wholesale institutions. The suggestion is that country banks quite generally insert in connection with the bank's name as it appears in the directory, a line very briefly setting out the minimum fee which the bank will require as a condition for handling sight draft collections, inviting the business on that basis. While this would not prevent all unprofitable business being sent to the bank, it would tend to largely reduce it. It would, moreover, enable the jobbers and wholesalers to choose the more intelligently in routing collections. No better medium could be selected to test this experiment then the Rand McNally Directory which is not only a leader, but enjoys the distinction of having been designated the official numbering agent for the American Bankers Association."

Get Your Credit Report from the Banker—Use the Blue Book whenever you want a report on anyone anywhere. Find the town, select one of the Banks advertising, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the Bank will do the rest. These Banks advertising in the Rand McNally Directory specialize in this service. They are prompt, intelligent and efficient.

Unfailingly recorded on your map

—great changes, small changes alike

Rand McNally Auto Road Maps are America's most popular road guides. Each map covers one or more states showing all auto roads, markings, type of pavement, mileage, etc. There are lists of cities and towns giving population figures. The maps are folded into pocket size booklets which contain city maps, lists of hotels and garages, motor laws and a wealth of other valuable information. Obtainable at leading booksellers', stationers', drug stores and news stands—35c each

Constantly the world changes its face!

We are conscious of it most when there are tremendous happenings. The Great War altered the political boundaries of half a dozen nations at a time.

Of the little changes that are always taking place, however—averaging hundreds daily in the United States alone—we are hardly aware.

They seem insignificant in themselves. On maps representing large areas they are perceptible only with their accumulation through decades, even centuries.

Yet for those who depend upon maps for definite information, it is essential that these changes be recorded as soon as possible.

So Rand McNally & Company must make more than 191,000 changes a year to keep its maps reliable.

In Rand McNally Auto Road Maps, for example, each new marking of highways, each change in type of pavement, the opening of a shorter, better route—these things must be recorded to make a safe, unfailing guide for the motorist.

In the Rand McNally Commercial Atlas and business map systems, the growth and shifting of population and industry must be clearly indicated from year to year.

In Rand McNally Indexed Pocket Maps close account must be taken of every change in cities and towns, railway and interurban routes, postoffices and telegraph stations. Changes are shown in banking towns, prepaid freight stations and express stations.

Rand McNally Maps, Globes and Atlases are always scientific, accurate, up to date. Obtainable at leading booksellers' and stationers' or direct.

THE NORTHERN TRUST COMPANY

CAPITAL AND SURPLUS $ 5,000,000.

CHICAGO

November 12, 1926

Mr. G. Prather Knapp,
Rand McNally & Company,
538 South Clark Street,
Chicago, Illinois

Dear Prather:

It would hardly be fair to have read your book "How Banks Increase Their Business" without telling you this reader's reaction.

I am giving this book its second reading because it is practical and not the result of theorizing. It gives between two covers the laboratory experiences of banks all over the country, and that coupled with your method of presenting them has given us, who are vitally interested in bank business, an invaluable source book.

It has been a privilege to have this book, written by someone who is well grounded, not only in the elements of banking, but in the modern methods for increasing bank business.

Cordially yours,

J. M. EASTON
Advertising Manager

P. S. Have you considered the promotion of this book as a text book in Universities or its use for collateral reading?

J. M. E.

Aggressive bankers everywhere are making money and saving money by using G. Prather Knapp's new book. This letter from J. M. Easton, Advertising Manager, Northern Trust Company, Chicago, describes how it is helping him.

200,000 corrections every six months keep it safe for your use

There are approximately 200,000 normal changes in the banking business throughout the United States every six months—new banks, mergers, close-outs, new officers, capital increases, growth of deposits, and loans.

Every one of these changes is recorded promptly in the semi-annual edition of the RAND McNALLY Bankers Directory (Blue Book) by means of the most complete checking and bank classification system ever developed.

This is why the latest edition is an authority for consultation in all banking transactions. Bankers and all those who must have full, accurate banking information at their instant disposal have relied upon this Blue Book since it was first published in 1871. They know that it and the other Rand McNally banking publications blanket the financial field and present a complete service for every bank need.

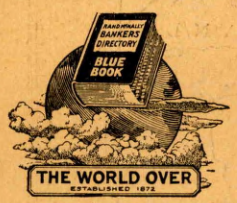
Bonded Attorneys Insure Your Collections



What Forwarders say:

Des Moines, Iowa.
"I find that your representatives, as a rule, are attorneys of the highest order."

Bainbridge, Ga.
"In connection with your bonded list, we feel sure if you will continue your effort it will, in the course of a very short time, be among the leading lists of the country."

Charleston, S. C.
"We are using your list whenever possible. We believe it to be an excellent medium."

Bellingham, Wash.
"I want to write you to state that I think you are going at this matter in the right spirit and that ultimately Rand McNally's should be one of the very best forwarding lists we have."

Deadwood, S. D.
"Of course what the forwarder, whether he has much or little business wants, is service, and we are confident that your list contains the names of aggressive and qualified attorneys."

Gulfport, Miss.
"I am using altogether for forwarding business your list. I have found it of great value to our office, and find that persons you recommend are prompt, efficient and reliable."

Waco, Texas.
"I believe you have the best proposition as a business getter for the Commercial Attorney on the market and I believe you are going to develop it into the best attorneys list."

Hillsboro. Texas
"I want to assure you of my appreciation of your untiring efforts to make the Rand McNally Attorneys list one of the most popular and reliable lists in the country."

Knoxville, Tenn.
"We fully appreciate the value of your work and shall be pleased to send a fair share of our business through your attorneys."

Louisville, Ky.
"We invariably use Rand McNally's Bonded List. In our judgment it is superior to any list of attorneys our long experience has."

Nature of Bond

The Publishers of this Directory have paid for and have in their possession a Surety Bond of The American Surety Company of New York on all Attorneys whose names appear in the Attorney List (excepting those listed under the heading "Foreign Attorneys") made to them as Trustee for the Forwarders of Business to Bonded Attorneys in the Rand McNally List of Attorneys.

Amount of Bond

Each Attorney in this List (excepting those listed under heading "Foreign Attorneys") is bonded for the sum of two thousand dollars.

Coupons must be used

All business forwarded to Attorneys must be accompanied by the coupon provided for that purpose, opposite beginning of the List, and the notification coupon must be properly filled out and forwarded to the Publishers at Chicago within thirty days after the forwarding of the claim to the Attorney. Additional books of coupons furnished upon request, free of charge.

Coupons Inserted in Bankers Directory for use of Clients

Each Attorney in our List (excepting those listed under heading "Foreign Attorneys") is bonded by The American Surety Company of New York for the sum of two thousand dollars. Any one having business to forward to any Attorney in excess of the amount of the bond on said Attorney, may upon application in writing have the Attorney's bond increased.

The publishers have caused this bond to be taken out with a Surety Company, because, on account of the nature of its business, it is in a better position than are the Publishers to protect subscribers. The American Surety Company of New York (Capital and Surplus over $6,000,000) has been chosen because of its exceptional strength and its promptness in meeting just claims.

The Rand McNally Bankers Directory and Bankers Register with List of Attorneys has the largest paid subscription list of any similar publication. Its subscribers represent more capital than those of all other lists combined. We hope to be able to bring our lawyers, our banks, and our commercial houses together and to build up a big community of interest to the mutual benefit of all.

To this end, we urge all subscribers to use these bonded lawyers whenever it is possible. Business begets business, and lawyers should cooperate with each other.

In using our List subscribers are protected by the bond and the high character of the Attorneys.

For TRUST DEPARTMENTS

Full Accounting Systems Installations and Service

SIMPLICITY and CAPACITY for EXPANSION are the basic principles. With non-essential records eliminated, but absolute controls and safeguards retained, the system comprises—

1. Controlling accounts over cash and trust property.
2. Trusteeships; guardianships; administration of estates; corporate trusteeships under mortgage to secure bond issues, with or without sinking fund provisions; collateral trust accounts; escrows; department earnings and expenses—all segregated from banking activities.

THE ATLANTA AND LOWRY NATIONAL BANK, Atlanta, Ga. Capital, Surplus and Profits $7,500,000.00

More Than A Florida City— A Leading Business Center Of The South

South Florida's First Bank

TAMPA is a manufacturing center, a jobbing center, a marketing center, a port—all combined into one. Tampa supplies after-dinner smokes for millions of men. Without Tampa phosphate, many nations might go hungry. Tampa manufactures nearly 500 different products. South Florida products shipped through Tampa go to the world's ends.

Tampa is more than a Florida city—it is one of the leading business centers of the South.

For 43 years, ever since trading post days, The First National Bank of Tampa has grown with the territory it serves. Its equipment and facilities, now greatly enlarged through the completion of one of Tampa's largest buildings, are ready for further progress.
