Dear Sir:

May I take a moment of your time to ask a few questions about our fish market which has been closed since December 7, 1941 by the Federal Reserve Bank.

First, will we ~~ab~~ be able to open the market before we have to evacuate to remove some of our personal belongings?

Second, I have been paying rent for December, January, February, and March, and it is causing us hardship because we derive no income from the market. Some people have informed me that the government would help out in paying the rent, and I would like to know whether that is true or not. And how long must I keep paying rent on a business which I cannot operate??? The L. A. Harbor Board insists that I keep paying rent as long as I have my goods in the market.

I am an American citizen, my market is closed, and no reason has been given me as to why my market has been closed except that due consideration was given to my application to open.

Due to the fact that we will probably have to evacuate soon, may you be so kind as to inform me as to what I should do.

Thanking you for your time.

Yours truly,

Arthur Nakahara

Mr. Harry Naraki
P. O. Box 324
Dinuba, California

Dear Mr. Naraki:

With reference to your letter of April 5, 1942, wherein you requested our assistance in consumating the sale of your grocery store at 850 Hawthorne Avenue, Hawthorne, California to the Reliable Sales Company, 5027 South Figueroa Street, Los Angeles, please be advised that the delay encountered in closing this transaction has been due to the filing of claims against you in the escrow. This is customary with the California State Board of Equalization and Department of Employment. These respective State officials were unable to make an immediate examination of your records as they did not have your street address to call on you for this purpose.

Releases of claims filed, by the Board of Equalization and Department of Employment, have been deposited in the Escrow. Also bills and costs in the amount of $29.84 were paid by S. W. Kohn, the escrow holder, as set forth in the escrow statement.

The enclosed check in the sum of $445.16 is net amount due after bills and cost were paid out of escrow.

Please have your signature witnessed on the enclosed escrow statement of Mr. S. W. Kohn and mail it to Mr. Kohn at 5027 South Figueroa Street, Los Angeles, California.

If we can be of any further service, please let us know.

Yours very truly,

Federal Reserve Bank

Dear Sir,

I am very sorry to trouble you, but since I have heard from different parties that the Federal Reserve Bank may help out the evacuees to settle some of the problems, I am wondering whether I may be helped with my problem.

I had a grocery store (selling meat, fruits and vegetables, liquor and etc.) on 500 So. Hawthorne Blvd. Hawthorne, California. But we had to evacuate, as I had, a Mr. Cohn Auctioneer (I believe E.S. Cohn) of 5027 So. Figueroa Street, Los Angeles, auction the store on March 27, 1942 which was last month, and on the 28th, the following day, the day after the auction, I was to close the Escrow. I went to the auctioneers but Mr. Cohn wasn't in and as I could not wait very long because I understood, I either evacuated by midnight that same day or I stay frozen, as I left everything as it was. The store fixtures and goods were auctioned already, and I was not able to be there to close the escrow. I was wondering if the Federal Reserve Bank in some way may help me to get some amount out of the auction for me as it was everything we had. I would appreciate whatever appraisal I may receive.

Thanking you,

Yours truly,

Harry Marabe

Principal property involved and scope of problem: Mr Naraki sold his grocery business & fixtures at 850 So. Hawthorne ave Hawthorne, Calif to the Reliable Sales Co. (owned by S.W. Kolm) for $475.00, cash when escrow closed. The regular claim liens were filed by the California State Board of Equalization and the Department of Employment. It was impossible for the Employment department to examine Naraki's books and give him a release as they could not locate him. I had them write a letter and have Naraki bring his books to their Fresno office for examination, which was done and the releases sent to the escrow. Mr Kolm the escrow holder brought in a check for $445.16 payment in full as set forth in Escrow Statement attached.

REALTORS :-: INSURANCE

SUITE 729 RIVES-STRONG BUILDING

LOS ANGELES, CAL.

April 30, 1942

Mrs. Avnda Oberwise
3920 Van Noord Street
North Hollywood, California

Dear Madam:

As you have been informed before, we have been appointed by Blanche Nimura, owner of the property at 2108 West 29th Street, to act as her agent in the management of said property during her enforced evacuation from this area.

We understand that you are the owner of a trust deed on said property, the remaining unpaid balance of which is $3177.[illegible], and that interest is paid to April 1, 1942. We further understand that this property was purchased from you in about May, 1940, for a price of $6500.00. That a cash payment of $1500.00 was made to you and a note secured by the above mentioned deed of trust was given to you for the remaining balance, payable at the rate of $100.00 per month. Said payments include interest at the rate of 6% per annum. As we understand it, these payments have been made regularly and promptly up to the present time. Miss Nimura's father was the owner of a chain of restaurants which were producing a substantial income, by which he was able to make these payments to you. He was taken from California by the Federal authorities and his business was liquidated at a great loss.

COPY

I have conferred with Mr. Covelli, who was the attorney representing Mr. Nimura in closing out his restaurant enterprises, and he has informed us that there were far more obligations and liabilities than there were assets, and there was no money left after the business was liquidated.

We have rented the property at $65.00 per month to tenants who seem to us to be unusually reliable and responsible, and we feel that the property should produce this amount per month for the duration of the evacuation. Taxes for the fiscal year 1941-42 were $90.81, or $7.50 per month. It is entirely probable that they may be somewhat higher next year. In addition, a reserve must be set up for fire insurance and a nominal fee paid to us for managing the property. You can readily see, therefore, that it is impossible to continue with the payments of $100.00 a month to you, and we are requesting, therefore, that under the circumstances these payments be reduced to $50.00 per month, including interest, commencing May 1, 1942, and continuing until the end of the war.

Based on the price which they paid to you for the property, the Nimura's

have an equity of $3323.00 therein, which it is inconceivable they should be required to lose through no fault of their own, but because of the necessity of complying with military war time regulations.

We are this day mailing our check in the amount of $50.00 to the Jefferson-Arlington Branch of the Security-First National Bank, their loan account No. 485, and requesting that they apply this amount first on the interest due on your note to May 1, 1942, and the balance on account of the reduction of principal.

Trusting that we may hear from you at an early date that you are, under the circumstances, willing to accept reduced payments as above requested, we remain

Very truly yours,

GEO. W. DICKINSON & SON

Principal property involved and scope of problem:

Blanche Nimura has asked me to re-open this case for a reason that Mrs. Oberwise is about to start foreclosure on the property. I phoned to the mortgagee, who is Mrs. Avnda Oberwise, and she came out to Santa Anita today, bringing with her a Mr. Clark.

After discussing the thing all over again, she has agreed verbally, in accordance with my suggestion to her, to accept the rent assignment and apply all of the income from the property first on the taxes, and then the balance to be credited on the indebtedness on the property. I have discussed this with Blanche Nimura, her mother, and all people concerned, and they all seem to think the arrangement will be satisfactory. Geo. W. Dickinson & Son, Realtors, at 729 Rives-Strong Building, Los Angeles, have been collecting the rents. Mrs. Nimura is writing to them and asking that whatever money they have collected be sent to her here at Santa Anita so that it can be given to Mrs. Oberwise for credit on the obligation. This seems to be a good solution to the whole problem.

REFERRED BY MR. BOLD
TO MRS. [illegible]
MAY 1 1 RECD

Dear Sir, Mr. Bold;

I thank you for your letter. Regarding to your letter of April 16, 1942 about the discussion it concerned I am greatly pleased.

Will write to you plainly about the situation in which I am not satisfied.

I received only $750.00 from Mr. Cain Had a buyer for $3700.00, I paid Mr. Cain the lessor $600.00 in advance for last two months rent, regarding to the lease for five years, the lease does not expire until next year April 15, 1943.

Was deeply disappointed because, I had buyers for my apartment several times, but Mr. Cain the lessor

interfere each time when we had a buyers for the sacrificed price.

Mr. Cain forced us out and took over the apartment for only $150.00, because the $600.00 was a security of the said lease for the last two months rent, Mr. Cain still put against me Chattle Morgage that gave him all the title to his own beneficial.

Mr. Cain's lease call for the rent of $300.00 a month. I paid to the said lease of $300.00 per month for one year. The year after I could no longer pay up to the said lease, because the promised income for the month did not net enough for the up keep, therefore my wife and daughter went to Mr. Cain several times and asked reduction on the rent. For several months I paid $275.00 for each months rent, there after for three years straight I paid $250.00 per month to Mr. Cain, without missing a single months rent. During the three (3) years period Mr.

Cain accepted the rent of $250.00 per month.

I had a buyers who was willing to pay the Caine $250.00 a month rental and give me an offer of $3,500.00 for the apartment, but the Cains raised the rent to $275.00, so the buyer quit. The week later another buyer come and offered me $3,000.00 and the rental of $275.00 a month, but again Mr Cain raised rent to $300.00, in this business manner Mr. Cain stopped all buyers.

After I had evacuated Mr. Cain gave my son $750.00 and made my son sign a Bill of Sale, which Mr. Cain made himself. And not the proper Bill of Sale, which I myself should make. $750.00 which my son brought to me after I had evacuated means to me $600.00 I had put up for security of two months rent, plus $150.00 for my property to which I estimate to the sum of $5,300.00. I bought all new furniture for replace of old, and painted the whole inside white and cleaned it.

Mr. Cain with his forces, took my property by his own benefit in advantage. Cains took my property for only ¥150.00 and tries to sell for ¥3,000.00 or more, if Mr. Cain sells out at any price the whole sum belongs to me, not Mr. Cain.

I had failed because Mr. + Mrs. Cain sr., taking to their advantage and course, but I am not through with the Cains. I have the release on the Chattle Morgage and all the papers that required to the lease. To my knowledge Mr. Cain does not have my personal Bill of Sale, which should be nortorized by Public Nortory and signed by James R. Cain jr. and A Kunikiyo Nabeta. Mr. Cain sr. did not take over my apartment legally.

My attorney at law Mr. Moss and the Alien Property Custodian Mr. Woods tried very hard to get both Mr. Cain and myself to better agreement, but failed.

I had left Los Angeles in disgust and sorrow for what hardships I had accomplished during the four years I lost my wife there and now the only thing I had for the future was the selling and getting the reasonable price for the apartment.

I had evacuated to Salt Lake City and had my son Alfred to take care of the apartment, until Alfred sell it to my sacrificed price. But time counted so much Alfred too had to evacuate by March 29, 1942 March 27 my son wired to me that he could no longer stay in L.A. for volunteery evacuation, and Mr. & Mrs Cain greed and hoard for my apartment took over the propuly.

I will again thank you Mr. Bold for your courtesy in asking about the situation.

Yours very truly,
Kumitaro Yobeta

Dear Mr. Kobeta:

Your letter of May 11 has been received. Our files indicate clearly your desire to sell the Serene Apartments at 150 West 14th Street, Los Angeles.

We investigated the facts through Mr. Moss, your attorney, and inasmuch as you retained his services and he is familiar with all the facts, we have agreed that you should place the matter in his hands.

Undoubtedly his decision from a legal standpoint will permit a satisfactory settlement.

Yours very truly,

Principal property involved and scope of problem:

Further work on this situation developed that Affil. Merchants Assoc of L.A. who hold the Dodge owned by Okubo under attachment, will send release papers to El Centro on Sathy afternoon, as CH Small wired he had received $50.00 for Affil. Mer. Assoc. as part of the deal to release the Auto - will take a note for balance due to be paid when Cantalope crop comes off, next month or two, thru Geo Jones the landlord & shipper - This was along the suggested lines by the writer to end the controversy and get the Jap back his Car so he could continue to harvest his crops - and which was his problem to us -

LOS ANGELES BRANCH

FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

El Centro, Calif. April 9, 1942.

Mr. Gordon Williams,
Federal Reserve Bank,
707 South Spring Street
Los Angeles, Calif.

Dear Mr. Williams : Re : S. T. OKUBO

Referring to our telephone conversations of today and the attached report :

I wrote the report before our second conversation and also before I had some additional facts.

First regarding the 1941 Dodge Sedan in the name of S.T.Okubo: When S.T.Okubo left for the army, he had just purchased the car from Robertson & Duringer and owed them practically the full purchase price. Sinji Okubo, the brother who is here, paid off one payment of $250 and the second payment of $382 and in due time expects to pay the balance of $535 so that as a matter of equity, he will be the real owner of the car.

The advance of $200 secured from the Highland Fruit Company in October, 1941, was secured by Sinji Okubo and was the usual form of crop advance to be repaid by retains from crops shipped on consignment to that Company. He received credit of $44.65 January 8, 1942, from the Highland Fruit Co. perstatement which he has shown to me and another credit of $1.25, making the net balance $154.10 which he intended paying from proceeds of the crops but which it is impossible to ship thru the Highland Fruit Co. or their successors the Citizens Produce Co. because they are out of existence. But that shouldn't give some collector the right to demand payment in advance of the marketing of the crops in variance with the terms under which the advance was obtained. Where the reference to a due date of August 25, 1941, was raised as set out in the complaint with the attachment which was before any advance was obtained, is a mystery to Okubo.

He has arranged with his landlord, a Mr. George Jones, to proceed with the handling his 35 acres of cantaloupes after his evacuation, the other 30 acres of crops consisting of squash and small vegetables has been mostly harvested but some of it is still going to market, being handled thru and by the said George Jones. Sinji Okubo is willing to give an order on Jones to pay this balance of $154.10 and also the other item you mentioned of $64 (which he knows of and which is a debt of S.T.Okubo) from the proceeds of these crops to whoever is entitled to the funds.

He is coming in to see me tomorrow morning to see what if anything he can do towards getting the car back so he can do his necessary work, his arrangement with Jones being that as long as he was here he would actively supervise the crops. The car is tied up by the Constable in the Pioneer Garage here in El Centro.

Yours very truly,

C.H.H. SMALL Field Representative

Principal property involved and scope of problem:

Brother of S.T.Okubo (Senji Thomas Okubo - age 28 - also native born citizen now in U. S. Army). Has been farming 65 acres of farm land at Niland. Lease is in Sinji Okubo's name. On or about October, 1941, they secured an advance from Highland Fruit Company on the basis of consigning their vegetable crops to the Highland Fruit Co., Los Angeles, and having this and other advances which might be made deducted from the proceeds. Highland Fruit Co. is understood to have gone "broke" and taken over by the Citizens Produce Company, 1207A San Julian St., Los Angeles. Sinji Okubo has in his care one 1941 Dodge Sedan belonging to his brother S.T.Okubo. The local constable last evening at 9 p.m. served an attachment on Sinji Okubo and took possession of S.T.Okubo's car. Attachment was issued out of Municipal Court of Los Angeles in the case of Affiliated Merchants vs. S.T.Okubo et al, complaint stating Affiliated Merchants are in possession of an assigned claim from the Citizens Produce Company in amount $154.10 covering advances which was due August 25,1941. Sinji Okubo states the amount of the advance is approximately correct but was not advanced until October, 1941, and he intended to pay out of proceeds of cantaloupe crop. No facilities for making an answer to the case in Los Angeles Court. Sinji Okubo's efforts to comply with evacuation orders and dispose of his farming crops, etc. are being retarded because of lack of possession of the automobile. Can something be done.

Action taken:*

Advised to get along the best he could and I would write to our Los Angeles office to see if they could find out some further details.

Action taken:*

The Jewlery Co (Mr. Toney) was contacted and he agreed (subject to Finance Companys approval) to take back the radio, and credit the account with approximately $84.00 (making only a Service charge for the use of the radio) thus reducing the balance to approximately 42.00. He will then make a written agreement to hold the Diamond ring, intact, for the duration and a reasonable time

Sold Lease and store to W. M. Osser, $2500. Had $170 advanced rent on Lease; lease was a firm lease but transferable with aggregate amount written in. Osser, the new lessee, wanted new lease from owner. Owner wanted $170 to make up new lease with a non-transfer clause. Osser would not accept. If Osser accepted the present lease which was transferable, he, in turn, wanted $170 deducted from the $2500.

Action taken:*

Have Ota attorney phone the property owner (Mr. Shilling) in Indio and explain the deal and tell him to make out new lease with transfer clause and he would accept the $170 penalty. That way hewould be free of any recourse in the future. If Shilling failed to make new lease he would be out $170. Attorney phoned back and is in accord.

Attention: Mr. F. J. Brice

RE: K. Okauchi

Gentlemen:

Following our telephone conversation, I am enclosing escrow instructions under date of May 11, 1942, which are self-explanatory.

For your further information, when this deal is consummated I am to deposit the funds in the California Bank at Second and Spring Streets, Los Angeles, California, in the name of Kumakichi Okauchi and Tomeko Okauchi, as joint tenants.

The purchasers have raised the question as to whether or not they are violating any regulations of the Federal government in entering into this deal, and we have been told over the telephone that, by disclosing the nature of the deal, which is being done, your verbal O. K. will be satisfactory. It is, therefore, upon this assumption that we are proceeding, although, of course, we would prefer that some letter from your department acknowledge the fact that you have gone over the file and examined the transaction and that both my clients, the Okauchis, and the purchasers, Norman Elowitt and W. A. Hewitt, are in the clear.

This entire transaction is made by me as agent for my principals, pursuant to their written letter of instructions dated May 8, 1942. My file is open for your inspection, should you desire.

Very truly yours,

H. Sidney Laughlin

HSL:HH

H. Sidney Laughlin, Esquire
544 Title Insurance Building
Los Angeles, California

Dear Mr. Laughlin:

This letter will serve as memorandum of escrow instructions between us.

We understand that you have power of attorney from Kumakichi Okauchi and Tomeko Okauchi, husband and wife, and are in a position to sell all of their right, title, and interest in and to the Rafu Paper Box Company, now located at 406-408 Commercial Street, Los Angeles, California.

We have contacted your principals, and you have a letter of instructions under date of May 8, 1942, to sell to us said personal property for the cash consideration, payable forthwith, in the sum of Five Thousand Five hundred Dollars ($5,500.00).

We are depositing with you today the sum of Twenty-five Dollars ($25.00) cash to bind this transaction, and your signature hereto will consummate the deal on their behalf.

You are authorized to publish notice under Section 3440 of the Civil Code at our expense, and at the termination of the period provided for therein, we will hand you a cashier's check in the sum of Five Thousand Five hundred Dollars ($5,500.00), payable to the order of your principals.

We have examined your power of attorney and find it satisfactory. We, likewise, have examined the exhibits to be attached to the Bill of Sale setting out the raw material and the machinery and equipment and find them to be satisfactory.

At the conclusion of this deal, you will turn over

to us the key to the premises at 406-408 Commercial Street, Los Angeles, California, it being our understanding that there is one room, or so-called apartment, on the premises, which contains personal effects of your principals, and which will not be occupied or disturbed by us. We also understand that the rent is paid on the entire premises up to the 31st day of May, 1942, and that we will make our own arrangements with the owner, Leon Laprevote, for payment of rent thereafter. It is understood that your principals will not be responsible for any rent from and after the 1st day of June, 1942.

It is further understood that jointly we will check with the Federal Government as to the right of your principals to make this sale.

It is to be understood that should your principals return after the war, that for the consideration of One Dollar ($1.00) we will reassign or sell to them the name "Rafu Paper Box Company."

It is further understood that the $25.00 which we are giving you now will be returned to us by you upon receipt of the above mentioned check.

Yours very truly,

Norman Elowitt

Dear Soji:

Upon the suggestion of the Federal Reserve Bank of San Francisco, Fiscal Agent of the United States, Evacuee Property Department, I am writing this letter to you in English so that a speedy reply will come back to me because it is necessary that the enclosed Satisfaction of Chattel Mortgage be signed by you where it is marked "X" and have same notarized where it is marked with two "XX", and then return to me by air mail in the enclosed self-addressed envelope.

I have made arrangements to sell the furniture, etc. in the hotel at 206½ South San Pedro Street, to the owner of the property, Mr. I. Wideas, but in order to complete the deal, it is necessary for me to have the enclosed paper signed by you and returned here to me as quickly as possible before I am evacuated, and so that I can complete the deal with Mr. Wideas.

I am going to El Monte on Thursday, April 30th, and will give $300.00 to your wife in satisfaction for the mortgage you hold on my furniture, and when you return the enclosed paper to me fully signed and notarized, I can complete my transaction with Mr. Wideas.

I am well and hope you are the same, and that I will have a quick reply from you.

Dear Mr. Hopkins:

In accordance with our telephone conversation, I am writing regarding the account of K. Sampei, a/c 19785-16-665, formerly of 319 N. Seaside Ave., Terminal Island, Calif. Mr. Sampei, purchased a B640 refrigerator from us in September 1940, serial number 40395404. His payments are in the amount of $7.39 a month, with a present balance of $125.63. The original balance was $266.04.

We had an address for Mr. Sampei at 102 N. Atlantic, in Compton, but apparently he has left this address as well, and the neighbors do not know where he has gone. One neighbor was of the opinion that he had gone to Santa Anita.

We have had no word from Mr. Sampei regarding the disposition of the merchandise. We shall appreciate any help you can give us in locating the merchandise.
