[Circular No. 1336, January 17, 1934
Superseding Circular No. 1291 as supplemented.]

List of Banking Institutions in the Second Federal Reserve District Licensed to Resume Full Banking Operations

To all Banking Institutions in the Second Federal Reserve District:

For your information, and superseding circular No. 1291, dated October 11, 1933, as supplemented, we are sending you herewith a list, arranged alphabetically by states and cities, of all member banks in the Second Federal Reserve District which thus far have been licensed to resume full banking operations in accordance with executive orders of the President of the United States and regulations of the Secretary of the Treasury. There also is included a list of all nonmember banking institutions in the district authorized by the appropriate State banking authorities to perform full banking operations, subject to the proclamation of the President of the United States of December 30, 1933, as amended, so far as information with regard to such banking institutions has been received from the respective State banking departments within whose jurisdiction they operate.

The lists have been prepared in four sections:

(1) **Member banks.**
(2) **Nonmember State banks and trust companies.**
(3) **Savings banks.**
(4) **Private bankers, miscellaneous banking companies, etc.**

All changes in names, consolidations, mergers, absorptions of banks and any other necessary changes of which we have been advised since March 16, 1933 are noted in their appropriate places in this list.

Banking institutions whose names are prefixed with the capital letter B are located in the territory assigned to our Buffalo Branch, which comprises the ten westerly counties of New York State as follows: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Livingston, Monroe, Niagara, Orleans, and Wyoming.

Each member State bank or trust company in the list of member banks is designated by an asterisk.

As occasion requires, supplements to this circular will be published containing the names of additional banking institutions which hereafter are licensed to resume full banking operations and also containing any other necessary changes.

These lists do not take the place of the par list.

GEORGE L. HARRISON,
Governor.

[Circular No. 1291, October 11, 1933
Superseding Circular No. ~~1232 as supplemented~~]

List of Banking Institutions in the Second Federal Reserve District Licensed to Resume Full Banking Operations

To all Banking Institutions in the Second Federal Reserve District:

For your information, and superseding circular No. 1232, dated May 24, 1933, as supplemented, we are sending you herewith a list, arranged alphabetically by states and cities, of all member banks in the Second Federal Reserve District which thus far have been licensed to resume full banking operations in accordance with executive orders of the President of the United States and regulations of the Secretary of the Treasury. There also is included a list of all nonmember banking institutions in the district which have been licensed to reopen for full banking operations under the same orders and regulations, so far as information with regard to them has been received from the respective State banking departments within whose jurisdiction they operate.

The lists have been prepared in four sections:

(1) Member banks.
(2) Nonmember State banks and trust companies.
(3) Savings banks.
(4) Private bankers, miscellaneous banking companies, etc.

All changes in names, consolidations, mergers, and absorptions of banks of which we have been advised since March 16, 1933 are noted in their appropriate places in this list.

Banking institutions whose names are prefixed with the capital letter B are located in the territory assigned to our Buffalo Branch, which comprises the ten westerly counties of New York State as follows: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Livingston, Monroe, Niagara, Orleans, and Wyoming.

Each member State bank or trust company in the list of member banks is designated by an asterisk.

As occasion requires, supplements to this circular will be published containing the names of additional banking institutions which hereafter are licensed to resume full banking operations and also containing any other necessary changes.

These lists do not take the place of the par list.

GEORGE L. HARRISON,
Governor.

Superseding Circular No. ~~1194 as supplemented~~]

List of Banking Institutions in the Second Federal Reserve District Licensed to Resume Full Banking Operations

To all Banking Institutions in the Second Federal Reserve District:

For your information, and superseding circular No. 1194, dated March 22, 1933, as supplemented, we are sending you herewith a list, arranged alphabetically by states and cities, of all member banks in the Second Federal Reserve District which thus far have been licensed to resume full banking operations in accordance with Executive Orders of the President of the United States and regulations of the Secretary of the Treasury. There also is included a list of all nonmember banking institutions in the district which have been licensed to reopen for full banking operations under the same orders and regulations, so far as information with regard to them has been received from the respective State banking departments within whose jurisdiction they operate.

The lists have been prepared in four sections:

(1) Member banks.

(2) Nonmember State banks and trust companies.

(3) Savings banks.

(4) Private bankers, miscellaneous banking companies, etc.

Banking institutions whose names are prefixed with the capital letter B are located in the territory assigned to our Buffalo Branch, which comprises the ten westerly counties of New York State as follows: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Livingston, Monroe, Niagara, Orleans, and Wyoming.

Each member State bank or trust company in the list of member banks is designated by an asterisk.

For the present, weekly supplements to this circular will be published containing the names of additional banking institutions which hereafter are licensed to resume full banking operations and also containing any other necessary changes.

These lists do not take the place of the par list.

GEORGE L. HARRISON,
Governor.

April 29, 1933.

ARTICLE I

MISCELLANEOUS PROVISIONS

SEC. 1. *Authority for Regulations.* In pursuance of the provisions of section 5(b) of the Act of October 6, 1917, as amended by section 2 of the Act of March 9, 1933, and the Executive Orders of the President dated March 10, 1933, April 5, 1933, and April 20, 1933, these regulations are prescribed.

SEC. 2. *Definitions.* For the purposes of these regulations, the term "person" means an individual, partnership, association or corporation; and the term "United States" means the continental United States, including Alaska.

SEC. 3. *Licenses Non-Transferable.* Licenses or permits issued or granted under these regulations shall not be transferred.

SEC. 4. *Scope.* These regulations shall be operative within the United States as defined, unless otherwise indicated.

SEC. 5. *Penalties.* Whoever willfully violates any provision of these regulations or of any license issued hereunder may be fined not more than $10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director or agent of any corporation who knowingly participates in any such violation may be punished by a like fine, imprisonment, or both.

ARTICLE II

PURCHASE OF GOLD FOR USE IN INDUSTRY, PROFESSION OR ART

SEC. 1. *Eligible Applicants.* Any person having a legitimate and customary use for gold in industry, profession or art (including research and scientific work), or any person customarily supplying gold to others for such use (hereinafter called a "dealer"), may file with a Federal reserve bank an application to purchase such quantity of gold as may be required for legitimate and customary use within a reasonable time.

SEC. 2. *Applications.* Such application shall be filed in duplicate, executed under oath and verified before an officer duly authorized to administer oaths, and shall contain (a) the name and address of the applicant, (b) the industry, profession or art or business in which the applicant is engaged, (c) the amount of gold usually required for use in the applicant's business for a period of 90 days, (d) the amount of gold used or sold during the preceding calendar year, (e) the amount and a description of all gold on hand at the date of the application, (f) the amount of gold applied for, (g) a statement that the applicant will use such gold as he may be permitted to purchase only for the legitimate and customary requirements of industry, profession or art, or for sale exclusively in industry, profession, or art, and (h) a statement that no other application is pending.

The Collector shall make a notation on the entry to this effect and forward a copy of the entry to the United States Assay Office at New York, New York, or to the United States Mint at San Francisco, California, whichever is designated by the importer.

SEC. 2. *Sampling and Assaying.* Promptly upon the receipt of each importation of gold-bearing ore or material at the plant where it is first to be treated, it shall be weighed, sampled and assayed for gold content. A reserve commercial sample shall be retained at such plant for at least one year from the date the importation was received by the plant unless the assay is sooner verified by the Treasury Department.

The application shall be accompanied by two duly attested copies of the Settlement Sheet.

SEC. 5. *Issuance of Serial Numbered Certificate.* If the Superintendent of the Assay Office or of the Mint is satisfied as to the accuracy of the data shown on such application, he shall issue to the importer a dated Serial Numbered Certificate which shall show the amount of gold specified by the application and the amount specified by the Settlement Sheet. The Director of the Mint shall prescribe the form of such certificate.

SEC. 6. *Issuance of Export License.* Upon delivery to the Assay Office or the Mint, within 120 days from the date it was issued, of the Serial Numbered Certificate the Superintendent of the Assay Office or Mint shall issue to the importer a license to export gold bullion in the amount applied for but not in excess of the amount specified by the Settlement Sheet as shown on such certificate.

SEC. 7. *Licenses.* Each license for the export of gold bullion under this Article shall be numbered serially and shall bear (a) the date of issue, (b) the name and address of the licensee, (c) the name and address of the consignee, (d) the amount and description of the gold licensed, (e) the port of export, and (f) a statement "This license shall expire 15 days from date of issue."

SEC. 1. *Licenses for Proper Transactions and for Purposes not Covered in Preceding Articles.* Any person showing the need for gold coin or gold bullion for a proper transaction not involving hoarding or for gold coin or gold bullion for a purpose specified in the Executive Order of April 5, 1933, and not covered by the foregoing Articles of these Regulations, may make application to the Secretary of the Treasury for a license to purchase, or if such coin or bullion is already in his possession, to retain such coin or bullion, in amounts as may be reasonably necessary for such proper transaction or purpose. Applications shall be filed with any Federal reserve bank. The application shall be filed in duplicate, executed under oath and verified before an officer duly authorized to administer oaths and shall contain (a) the name and address of the applicant, (b) the amount of gold coin or gold bullion desired to be purchased or retained, (c) the amount and description of the gold coin or bullion on hand, if any, at the date of the application, (d) the proper transaction or purpose to which the gold coin or gold bullion will be devoted and the facts making necessary its purchase or retention, (e) such other facts as will enable the Secretary of the Treasury to determine whether the transaction is proper, and (f) a statement that the applicant will use such gold coin or gold bullion as he may be permitted to purchase or retain only for the transaction or purpose set forth in the application. In the case of an applicant for a license who has delivered in obedience to the Executive Order of April 5, 1933, gold coin, gold bullion or gold certificates, the application, in addition to the above, shall state in detail (1) the amount of gold coin, gold bullion or gold certificates delivered in obedience to the Executive Order of April 5, 1933, (2) the date of such delivery, and (3) the bank at which delivered.

SEC. 2. *Disposition of Applications.* On the receipt of any such application, the Federal reserve bank shall make such investigation of the case as it may deem advisable and shall transmit to the Secretary of the Treasury the original of such application, together with (a) any supplemental information it may deem appropriate and (b) a recommendation whether a license should be granted or denied. The Federal reserve bank shall retain a copy of the application for its records.

SEC. 3. *Granting or Denial of the License.* Upon receipt of the original application and the recommendation of the Federal reserve bank transmitting it, the Secretary of the Treasury will grant or deny the license. A license will be granted on application for the retention or acquisition of gold coin or bullion made by any person showing the need for such gold coin or bullion in accordance with the provisions of section 8 of the Executive Order of April 5, 1933, in cases where such person has gold coin, gold bullion or gold certificates in his possession, or in obedience to said Executive Order, has delivered such coin, bullion or certificates. A license so granted shall be for an amount of gold coin or bullion not exceeding the amount of such coin, bullion or certificates held or delivered. When the issuance of a license is approved by the Secretary of the Treasury the Federal reserve bank through which application was made, will issue a license to the applicant. If denied, the Federal reserve bank will be so advised and shall immediately notify the applicant. The decision of the Secretary of the Treasury shall be final. The Federal reserve bank shall note upon the retained copy of the application whether or not a license has been granted, and, if granted, the date of the license and the amount of the gold coin or gold bullion covered thereby.

SEC. 4. *Acquisition of Gold.* Upon presentation of a license for the acquisition of gold coin or bullion to a Federal reserve bank, such bank shall deliver to the licensee the amount of gold coin or gold bullion authorized in such license upon payment therefor in an equivalent amount of any form of coin or currency coined or issued under the laws of the United States.

Relating to Foreign Exchange and the Earmarking and Export of Gold Coin or Bullion or Currency

By virtue of the authority vested in me by Section 5(b) of the Act of October 6, 1917, as amended by Section 2 of the Act of March 9, 1933, entitled "An Act to provide relief in the existing national emergency in banking, and for other purposes," in which amendatory Act Congress declared that a serious emergency exists, I, Franklin D. Roosevelt, President of the United States of America, do declare that said national emergency still continues to exist and pursuant to said section and by virtue of all other authority vested in me, do hereby issue the following executive order:

1. Until further order, the earmarking for foreign account and the export of gold coin, gold bullion or gold certificates from the United States or any place subject to the jurisdiction thereof are hereby prohibited, except that the Secretary of the Treasury, in his discretion and subject to such regulations as he may prescribe, may issue licenses authorizing the export of gold coin and bullion (a) earmarked or held in trust for a recognized foreign government or foreign central bank or the Bank for International Settlements, (b) imported for reexport or gold in reasonable amounts for usual trade requirements of refiners importing gold bearing materials under agreement to export gold, (c) actually required for the fulfilment of any contract entered into prior to the date of this order, by an applicant who in obedience to the Executive Order of April 5, 1933 has delivered gold coin, gold bullion or gold certificates, and (d) with the approval of the President, for transactions which he may deem necessary to promote the public interest.

2. Until further order the Secretary of the Treasury is authorized, through any agency that he may designate, to investigate, regulate, or prohibit, under such rules and regulations as he may prescribe, by means of licenses or otherwise, any transactions in foreign exchange, transfers of credit from any banking institution within the United States or any place subject to the jurisdiction thereof to any foreign branch or office of such banking institution or to any foreign bank or banker, and the export or withdrawal of currency from the United States or any place subject to the jurisdiction of the United States, by any individual, partnership, association or corporation within the United States or any place subject to the jurisdiction thereof; and the Secretary of the Treasury may require any individual, partnership, association, or corporation engaged in any transaction referred to herein to furnish under oath, complete information relative thereto, including the production of any books of account, contracts, letters or other papers, in connection therewith in the custody or control of such individual, partnership, association, or corporation either before or after such transaction is completed.

3. The provisions relating to foreign exchange transactions contained in the Executive Order of March 10, 1933, shall remain in full force and effect except as amended or supplemented by this order and by regulations issued hereunder.

4. Applicants who have gold coin, gold bullion or gold certificates in their possession, or who in obedience to the Executive Order of April 5, 1933 have delivered gold coin, gold bullion or gold certificates shall be entitled to licenses as provided in Section 8 of said Executive Order for amounts not exceeding the equivalent of such coin, bullion or certificates held or delivered. The Secretary may in his discretion issue or decline to issue any other licenses under said Executive Order, which shall in all other respects remain in full force and effect.

5. Whoever wilfully violates any provision of this Executive Order or of any rule, regulation or license issued thereunder may be fined not more than $10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director, or agent of any corporation who knowingly participates in any such violation may be punished by a like fine, imprisonment, or both.

This order may be modified or revoked at any time.

FRANKLIN D. ROOSEVELT.

Executive Order Forbidding the Hoarding of Gold

To all Banking Institutions in the Second Federal Reserve District:

For your information, we quote below the text of an executive order issued by the President of the United States on April 5, 1933:

EXECUTIVE ORDER

Forbidding the Hoarding of Gold Coin, Gold Bullion and Gold Certificates.

By virtue of the authority vested in me by Section 5 (b) of the Act of October 6, 1917, as amended by Section 2 of the Act of March 9, 1933, entitled "An Act to Provide Relief in the Existing National Emergency in Banking, and for Other Purposes," in which amendatory act Congress declared that a serious emergency exists, I, Franklin D. Roosevelt, President of the United States of America, do declare that said national emergency still continues to exist and pursuant to said section do hereby prohibit the hoarding of gold coin, gold bullion and gold certificates within the continental United States by individuals, partnerships, associations and corporations, and hereby prescribe the following regulations for carrying out the purposes of this order:

Section 1. For the purposes of this regulation, the term "hoarding" means the withdrawal and withholding of gold coin, gold bullion or gold certificates from the recognized and customary channels of trade. The term "person" means any individual, partnership, association or corporation.

Section 2. All persons are hereby required to deliver on or before May 1, 1933, to a Federal Reserve Bank or a branch or agency thereof or to any member bank of the Federal Reserve System all gold coin, gold bullion and gold certificates now owned by them or coming into their ownership on or before April 28, 1933, except the following:

(a) Such amount of gold as may be required for legitimate and customary use in industry, profession or art within a reasonable time, including gold prior to refining and stocks of gold in reasonable amounts for the usual trade requirements of owners mining and refining such gold.

(b) Gold coin and gold certificates in an amount not exceeding in the aggregate $100 belonging to any one person; and gold coins having a recognized special value to collectors of rare and unusual coins.

(c) Gold coin and bullion earmarked or held in trust for a recognized foreign government or foreign central bank or the Bank for International Settlements.

(d) Gold coin and bullion licensed for other proper transactions (not involving hoarding) including gold coin and bullion imported for re-export or held pending action on applications for export license.

Section 3. Until otherwise ordered, any person becoming the owner of any gold coin, gold bullion or gold certificates after April 28, 1933, shall, within three days after receipt thereof, deliver the same in the manner prescribed in Section 2; unless such gold coin, gold bullion or gold certificates are held for any of the purposes specified in paragraphs (a), (b) or (c) of Section 2; or unless such gold coin or gold bullion is held for purposes specified in paragraph (d) of Section 2 and the person holding it is, with respect to such gold coin or bullion, a licensee or applicant for license pending action thereon.

Section 4. Upon receipt of gold coin, gold bullion or gold certificates delivered to it in accordance with Sections 2 or 3, the Federal Reserve Bank or member bank will pay therefor an equivalent amount of any other form of coin or currency coined or issued under the laws of the United States.

Section 5. Member banks shall deliver all gold coin, gold bullion and gold certificates owned or received by them (other than as exempted under the provisions of Section 2) to the Federal Reserve Banks of their respective districts and receive credit or payment therefor.

Section 6. The Secretary of the Treasury, out of the sum made available to the President by Section 501 of the Act of March 9, 1933, will in all proper cases pay the reasonable costs of transportation of gold coin, gold bullion or gold certificates delivered to a member bank or Federal Reserve Bank in accordance with Sections 2, 3, or 5 hereof, including the cost of insurance, protection, and such other incidental costs as may be necessary, upon production of satisfactory evidence of such costs. Voucher forms for this purpose may be procured from Federal Reserve Banks.

Section 7. In cases where the delivery of gold coin, gold bullion or gold certificates by the owners thereof within the time set forth above will involve extraordinary hardship or difficulty, the Secretary of the Treasury may, in his discretion, extend the time within which such delivery must be made. Applications for such extensions must be made in writing under oath, addressed to the Secretary of the Treasury and filed with a Federal Reserve Bank. Each application must state the date to which the extension is desired, the amount and location of the gold coin, gold bullion and gold certificates in respect of which such application is made, and the facts showing extension to be necessary to avoid extraordinary hardship or difficulty.

Section 8. The Secretary of the Treasury is hereby authorized and empowered to issue such further regulations as he may deem necessary to carry out the purposes of this order, and to issue licenses thereunder, through such officers or agencies as he may designate, including licenses permitting the Federal Reserve Banks and member banks of the Federal Reserve System, in return for an equivalent amount of other coin, currency or credit, to deliver, earmark or hold in trust gold coin and bullion to or for persons showing the need for the same for any of the purposes specified in paragraphs (a), (c) and (d) of Section 2 of these regulations.

Section 9. Whoever willfully violates any provision of this Executive Order or of these regulations or of any rule, regulation or license issued thereunder may be fined not more than $10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director, or agent of any corporation who knowingly participates in any such violation may be punished by a like fine, imprisonment, or both.

This order and these regulations may be modified or revoked at any time.

FRANKLIN D. ROOSEVELT.

THE WHITE HOUSE, *April 5, 1933.*

As we are advised of the issuance of any regulations by the Secretary of the Treasury, under this executive order, we shall forward the text thereof to banking institutions in this district.

RESERVES OF MEMBER BANKS NOT LICENSED TO RESUME FULL BANKING OPERATIONS

To All Unlicensed Member Banks in the
Second Federal Reserve District:

For your information we quote below an extract from a telegram received March 30, 1933, from the Federal Reserve Board:

> "For the present and until further notice a bank not licensed to open, whether or not it is in the hands of a conservator appointed by the Comptroller of the Currency, or in the hands of a State official having similar authority, should not be penalized for a deficiency in reserves against deposits which have not been made available for withdrawal by depositors.
>
> "Member banks not licensed to open should, pending the receipt of a license to open, maintain reserves on new deposits and old deposits made available for withdrawal as follows: Deposits received in special trust accounts pursuant to provisions of Regulation 7 of the Secretary of the Treasury and deposits received while a bank is in the hands of a conservator appointed by Comptroller of Currency or in the hands of a State official having similar authority are demand deposits and subject to demand deposit reserve.
>
> "The part of deposits made available for immediate withdrawal on a ratable basis under Regulation 27 of Secretary of Treasury should be treated as demand deposits and subject to demand deposit reserve.
>
> "The part of deposits made available for withdrawal on a ratable basis from national banks in hands of conservators as provided in Section 206 of the Bank Conservation Act, or under similar conditions from State member banks in hands of conservators or other State officials having similar authority, should be considered as demand deposits and subject to demand deposit reserve."

Will you please arrange to maintain with this bank at all times reserves in accordance with the above instructions and send us a report of deposits for period ended March 31, 1933, and regularly thereafter in the usual manner.

(March 19, 1933.)

REGULATIONS ISSUED BY THE SECRETARY OF THE TREASURY UNDER THE PRESIDENT'S PROCLAMATIONS DECLARING AND CONTINUING A BANK HOLIDAY

To All Banking Institutions in the
Second Federal Reserve District:

For your information, and supplementing our previous circulars on this subject, we quote below the text of interpretation No. 11 which the Federal Reserve Board has advised us has been issued by the Secretary of the Treasury, under the President's proclamations of March 6 and 9, 1933, declaring and continuing a bank holiday. For convenience in reference we reprint regulation 12 to which interpretation 11 refers.

12 Regarding issuance of certificates against sound assets.

"Clearing house associations and other associations organized to provide an adequately secured medium of temporary exchange, are hereby permitted to issue certificates against sound assets of banking institutions, such certificates to be deliverable by each institution to its creditors and depositors on a pro rata basis, provided, however, that no such certificates shall be issued before Friday, March 10, 1933, without the consent of the Secretary of the Treasury addressed to the Clearing House or other association proposing to issue such certificates, and further provided that this permission may be revoked in the event that a national plan to meet the existing emergency is proposed by the Secretary of the Treasury if in his opinion the success of such plan would be inconsistent with the operation of the certificate plan."

Interpretation No. 11

"Regulation No. 12 is not to be construed as permitting a banking institution, open for normal and usual functions under license of the Secretary of the Treasury, to require depositors to accept clearing house certificates or other evidences of claims against assets for all or any part of any withdrawal requested."

The Federal Reserve Board has also informed us of an advice by the Comptroller of the Currency, which is given below following a reprint of Regulation No. 7, to which the advice refers.

7 Authorizing special trust accounts, etc.

"Deposits heretofore received by any banking institution pursuant to agreement or legislative authority providing for segregation and for repayment without restriction may be paid on demand. Any banking institution which was lawfully engaged in the business of receiving deposits prior to March 6, 1933, may create special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand without any restriction or limitation and

shall be kept separately in cash or on deposit in Federal Reserve Banks or invested in obligations of the United States. Federal Reserve Banks may open special accounts on their books for their member banks and temporarily for nonmember banks and may receive in such special accounts the proceeds of new deposits received by such banking institutions. In making deposits with the Federal Reserve Bank pursuant to this regulation the depositing bank shall in the case of each deposit indicate to the Federal Reserve Bank by symbol or otherwise that the funds so deposited represent new deposits made under this regulation. Upon receipt of such deposits such Federal Reserve Bank shall credit the same in the special account of the depositing bank herein provided for and shall hold the same solely for the repayment to such bank. Federal Reserve Banks shall permit the withdrawal of any part or all of such new deposits by the depositing bank without restriction provided that the depositing bank shall in such order or request for withdrawal indicate to the Federal Reserve Bank by symbol or otherwise that such withdrawal is to be made from such special account, provided however that no banking institution shall pay out or permit the withdrawal of any gold or gold certificates."

"Office of Comptroller of Currency advises that, notwithstanding appointment of conservator for national bank under conservation act, deposits received by such bank prior to appointment of conservator in special trust accounts created under the provisions of regulation No. 7 of the Secretary of the Treasury issued March 6, 1933, may be withdrawn upon demand without restriction or limitation to the full extent of the amount of cash, Federal Reserve Bank balances and proceeds of United States obligations in which such deposits have been kept separate or invested in accordance with the provisions of said regulation No. 7."

We quote below the text of regulation No. 27, dated March 18, 1933, which the Treasury Department has advised us today has been issued by the Secretary of the Treasury under the President's proclamations of March 6, 1933, and of March 9, 1933, declaring and continuing a bank holiday, and the executive order of March 10, 1933.

Regulation 27

"Any state banking institution which is a member of the Federal Reserve System and which is not licensed by the Secretary of the Treasury to reopen for the performance of usual banking functions may, with the approval of the appropriate state authority having immediate supervision of such banking institution, permit withdrawals by depositors and make payments to creditors of such percentage of the amounts due to them (not exceeding 5 per cent) as it may determine, provided that at or before the time of such withdrawal or payment it shall set aside and make available for such purpose a fund for the benefit of and sufficient to pay to all depositors and creditors the percentage so determined.

"This regulation shall not in any way affect any right created by regulation No. 7 nor limit or restrict any payment thereby authorized.

Any right to authorize withdrawals or payments under the terms of this regulation shall terminate upon the appointment of any conservator, receiver or other appropriate state official taking charge of the affairs of such banking institutions."

The amendment postpones by ten days the date on which the list of persons who have withdrawn gold from the banks is to be closed and reported to the Federal Reserve Board. The message received today is as follows:

> "It is requested that you prepare and forward to the Board as soon as possible after March 27, 1933, as complete a list as can be made from information you are able to obtain of the names and addresses of all persons who have withdrawn gold from your bank or a member bank in your district since February 1, 1933, and who have not redeposited it in a bank on or before March 27, 1933."

The list which you were requested in circulars Nos. 1169 and 1177 to send us should therefore be completed immediately after March 27, 1933.

George L. Harrison,
Governor.

(Circular No. 1186)
(March 18, 1933.)

REGULATIONS ISSUED BY THE SECRETARY OF THE TREASURY UNDER THE PRESIDENT'S PROCLAMATION DECLARING A BANK HOLIDAY

To All Banking Institutions in the
Second Federal Reserve District:

For your information, and supplementing our previous circulars on this subject, we quote below the text of a regulation which the Federal Reserve Board has advised us today has been issued by the Secretary of the Treasury under the President's proclamations of March 6 and 9, 1933, declaring and continuing a bank holiday. For convenience in reference we reprint the regulations to which this regulation refers.

7 Authorizing special trust accounts, etc.

"Deposits heretofore received by any banking institution pursuant to agreement or legislative authority providing for segregation and for repayment without restriction may be paid on demand. Any banking institution which was lawfully engaged in the business of receiving deposits prior to March 6, 1933, may create special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand without any restriction or limitation and shall be kept separately in cash or on deposit in Federal Reserve Banks or invested in obligations of the United States. Federal Reserve Banks may open special accounts on their books for their member banks and temporarily for nonmember banks and may receive in such special accounts the proceeds of new deposits received by such banking institutions. In making deposits with the Federal Reserve Bank pursuant to this regulation the depositing bank shall in the case of each deposit indicate to the Federal Reserve Bank by symbol or otherwise that the funds so deposited represent new deposits made under this regulation. Upon receipt of such deposits such Federal Reserve Bank shall credit the same in the special account of the depositing bank herein provided for and shall hold the same solely for the repayment to such bank. Federal Reserve Banks shall permit the withdrawal of any part or all of such new deposits by the depositing bank without restriction provided that the depositing bank shall in such order or request for withdrawal indicate to the Federal Reserve Bank by symbol or otherwise that such withdrawal is to be made from such special account, provided however that no banking institution shall pay out or permit the withdrawal of any gold or gold certificates."

Regulations Issued by the Secretary of the Treasury Under the President's Proclamation Declaring a Bank Holiday. (Circular No. 1186) (March 18, 1933.)

15 "The permission granted in Regulation Number 7 that deposits heretofore received by any banking institution pursuant to agreement or legislative authority providing for segregation and repayment without restriction may be paid on demand, includes any bank in which any such deposits have been redeposited by or on behalf of the receiving bank in accordance with such agreement or legislative authority."

23 "No banking institution shall permit any withdrawal by any person when such institution, acting in good faith, shall deem that the withdrawal is intended for hoarding. Any banking institution, before permitting the withdrawal of large or unusual amounts of currency, may require from the person requesting such withdrawal, a full statement under oath of the purpose for which the currency is requested."

New Regulation

"Deposits of the kinds described in Regulations Number 7 and Number 15 are not subject to the provisions of Regulation Number 23."

As we are advised of the issuance of further regulations and interpretations by the Secretary of the Treasury under the President's proclamations declaring and continuing a bank holiday we will forward the text thereof to banking institutions in this district.

Circular No. 1184

List of Banking Institutions in the Second Federal Reserve District Licensed to Resume Banking Operations

To all Banking Institutions in the Second Federal Reserve District:

For your information we are sending you herewith a list, arranged alphabetically by states and cities, of all member banks in the Second Federal Reserve District which thus far have been licensed to resume full banking operations in accordance with executive orders of the President of the United States and regulations of the Secretary of the Treasury. There also is included a list of all nonmember banking institutions in the district which have been licensed to reopen for full banking operations under the same orders and regulations, so far as information with regard to them has been received from the respective state banking departments.

The lists have been prepared in three sections:

(1) Member banks.

(2) Nonmember state banks and trust companies.

(3) Savings banks.

Banking institutions whose names are prefixed with the capital letter B are located in the territory assigned to our Buffalo Branch, which comprises the ten westerly counties of New York State as follows: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Livingston, Monroe, Niagara, Orleans, and Wyoming.

Each state bank member in the list of member banks is designated by an asterisk.

These lists contain the names of all banks which, according to advices received thus far, have been reopened for the performance of their normal and usual functions.

Banking institutions which have not yet been licensed to reopen still are permitted to continue to carry on the limited activities specified by regulations 1 to 19 of the Secretary of the Treasury, except that state banking institutions also may be subject to restrictions imposed by state authorities.

For the present, weekly supplements to this circular will be published, containing the names of additional banking institutions which hereafter are licensed to open for normal business.

These lists do not take the place of the par list.

George L. Harrison,
Governor.

Program for Reopening of Banks

To all Banking Institutions in the Second Federal Reserve District:

For your information, we quote below the text of a statement issued today by the President of the United States:

"I am glad to be able to announce that technical difficulties which operated to delay the opening of banks, both state and national, have finally substantially been overcome by tireless work on the part of the officials of the Treasury and the Federal Reserve System, and that a definite program has been arranged consisting of successive steps by which banks throughout the country will be opened progressively on Monday, Tuesday and Wednesday mornings.

"The Secretary of the Treasury will issue licenses to banks which are members of the Federal Reserve System, whether national bank or state, located in each of the twelve Federal Reserve Bank cities, to open Monday morning.

"So also the state authorities having supervision over state banks which are not members of the Federal Reserve System will be asked to permit any such state institutions located in any one of the twelve Federal Reserve Bank cities to open for business on Monday morning if in their judgment they deem it wise to do so.

"Under this progressive plan, banks located in any city having an active, recognized clearing house association, of which there are 250 cities, will receive licenses for reopening on Tuesday morning, and banks located elsewhere will receive their licenses permitting reopening for Wednesday.

"Time is thus afforded for the necessary shipments of currency provided under the Emergency Bank Act from Reserve Banks centers to clearing house cities and banks in the smaller communities.

"There were enormous technical problems to be solved before these mechanics could be worked out and before the actual currency could be in the bank when the doors opened.

"The Constitution has laid upon me the duty of conveying the condition of the country to the Congress assembled at Washington. I believe I have a like duty to convey to the people themselves a clear picture of the situation at Washington itself whenever there is danger of any confusion as to what the Government is undertaking.

"That there may be a clear understanding as to just what has taken place during the last two days since the passage of this Act it is my intention, over the national radio net works, at ten o'clock Sunday evening, to explain clearly and in simple language to all of you just what has been achieved and the sound reasons which underlie this declaration to you.

"The fact that banks will be opened under this plan does not mean that any one should draw the inference that the banks opening Monday are in any different condition as to soundness from the banks licensed to open on Tuesday or Wednesday or any subsequent day."

George L. Harrison,
Governor.

To All Banking Institutions in the Second Federal Reserve District:

For your information we quote below the text, as transmitted to us by wire, of the Act "To provide relief in the existing national emergency in banking and for other purposes", which we understand was enacted by Congress today.

"*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* that the Congress hereby declares that a serious emergency exists and that it is imperatively necessary speedily to put into effect remedies of uniform national application.

TITLE I.

SECTION 1. The actions, regulations, rules, licenses, orders and proclamations heretofore or hereafter taken, promulgated, made, or issued by the President of the United States or the Secretary of the Treasury since March 4, 1933, pursuant to the authority conferred by subdivision (b) of Section 5 of the Act of October 6, 1917, as amended, are hereby approved and confirmed.

SECTION 2. Subdivision (b) of Section 5 of the Act of October 6, 1917 (40 Stat L 411), as amended is hereby amended to read as follows:

"(b) During time of war or during any other period of national emergency declared by the President, the President may, through any agency that he may designate, or otherwise, investigate, regulate, or prohibit, under such rules and regulations as he may prescribe, by means of licenses or otherwise, any transactions in foreign exchange, transfers of credit between or payments by banking institutions as defined by the President, and export, hoarding, melting, or earmarking of gold or silver coin or bullion or currency, by any person within the United States or any place subject to the jurisdiction thereof; and the President may require any person engaged in any transaction referred to in this subdivision to furnish under oath, complete information relative thereto, including the production of any books of account, contracts, letters or other papers, in connection therewith in the custody or control of such person, either before or after such transaction is completed. Whoever wilfully violates any of the provisions of this subdivision or of any license, order, rule or regulation issued thereunder, shall, upon conviction, be fined not more than $10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director, or agent of any corporation who knowingly participates in such violation may be punished by a like fine, imprisonment or both. SECTION 3. Section 11 of the Federal Reserve Act is amended by adding at the end thereof the following new subsection:

"(n) Whenever in the judgment of the Secretary of the Treasury such action is necessary to protect the currency system of the United States, the Secretary of the Treasury, in his discretion, may require any or all individuals, partnerships, associations and corporations to pay and deliver to the Treasurer of the United States any or all gold coin, gold bullion, and gold certificates owned by such individuals, partnerships, associations and corporations. Upon receipt of such gold coin, gold bullion or gold certificates, the Secretary of the Treasury shall pay therefor an equivalent amount of any other form of coin or currency coined or issued under the Laws of the United States. The Secretary of the Treasury shall pay all costs of the transportation of such gold bullion, gold certificates, coin, or currency including the cost of insurance, protection, and such other incidental costs as may be reasonably necessary. Any individual, partnership, association, or corporation failing to comply with any requirement of the Secretary of the Treasury made under this subsection shall be subject to a penalty equal to twice the value of the gold or gold certificates in respect of which such failure occurred, and such penalty may be collected by the Secretary of the Treasury by suit or otherwise."

SECTION 4. In order to provide for the safer and more effective operation of the national banking system and the Federal Reserve System, to preserve for the people the full benefits of the currency provided for by the Congress through the national banking system and the Federal Reserve System, and to relieve interstate commerce of the burdens and obstructions resulting from the receipt on an unsound or unsafe basis of deposits subject to withdrawal by check, during such emergency period as the President of the United States by proclamation may prescribe, no member bank of the Federal Reserve System shall transact any banking business except to such extent and subject to such regulations, limitations and restrictions as may be prescribed by the Secretary of the Treasury, with the approval of the President. Any individual, partnership, corporation, or association, or any director, officer or employee thereof, violating any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof shall be fined not more than $10,000 or, if a natural person, may, in addition to such fine, be imprisoned for a term not exceeding ten years. Each day that any such violation continues shall be deemed a separate offense.

TITLE II.

SECTION 201. This title may be cited as the "Bank Conservation Act."

SECTION 202. As used in this title, the term "bank" means (1) any national banking association, and (2) any bank or trust company located in the District of Columbia and operating under the supervision of the Comptroller of the Currency; and the term "state" means any state, territory, or possession of the United States, and the Canal Zone.

SECTION 203. Whenever he shall deem it necessary in order to conserve the assets of any bank for the benefit of the depositors and other creditors thereof, the Comptroller of the Currency may appoint a conservator for such bank and require of him such bond and security as the Comptroller of the Currency deems proper. The conservator, under the direction of the Comptroller, shall take possession of the books, records, and assets of every description of such bank, and take such action as may be necessary to conserve the assets of such bank pending further disposition of its business as provided by law. Such conservator shall have all the rights, powers, and privileges now possessed by or hereafter given receivers of insolvent national banks and shall be subject to the obligations and penalties, not inconsistent with the provisions of this title, to which receivers are now or may hereafter become subject. During the time that such conservator remains in possession of such bank, the rights of all parties with respect thereto shall, subject to the other provisions of this title, be the same as if a receiver had been appointed therefor. All expenses of any such conservatorship shall be

paid out of the assets of such bank and shall be a lien thereon which shall be prior to any other lien provided by this Act or otherwise. The conservator shall receive as salary an amount no greater than that paid to employees of the Federal Government for similar services.

SECTION 204. The Comptroller of the Currency shall cause to be made such examinations of the affairs of such bank as shall be necessary to inform him as to the financial condition of such bank, and the examiner shall make a report thereon to the Comptroller of the Currency at the earliest practicable date.

SECTION 205. If the Comptroller of the Currency becomes satisfied that it may safely be done and that it would be in the public interest, he may, in his discretion, terminate the conservatorship and permit such bank to resume the transaction of its business subject to such terms, conditions, restrictions and limitations as he may prescribe.

SECTION 206. While such bank is in the hands of the conservator appointed by the Comptroller of the Currency, the Comptroller may require the conservator to set aside and make available for withdrawal by depositors and payment to other creditors, on a ratable basis, such amounts as in the opinion of the Comptroller may safely be used for this purpose; and the Comptroller may, in his discretion, permit the conservator to receive deposits, but deposits received while the bank is in the hands of the conservator shall not be subject to any limitation as to payment or withdrawal, and such deposits shall be segregated and shall not be used to liquidate any indebtedness of such bank existing at the time that a conservator was appointed for it, or any subsequent indebtedness incurred for the purpose of liquidating any indebtedness of such bank existing at the time such conservator was appointed. Such deposits received while the bank is in the hands of the conservator shall be kept on hand in cash, invested in the direct obligations of the United States or deposited with a Federal Reserve Bank. The Federal Reserve Banks are hereby authorized to open and maintain separate deposit accounts for such purpose, or for the purpose of receiving deposits from state officials in charge of state banks under similar circumstances.

SECTION 207. In any reorganization of any national banking association under a plan of a kind which, under existing law, requires the consent, as the case may be, (a) of depositors and other creditors or (b) of stockholders or (c) of both depositors and other creditors and stockholders, such reorganization shall become effective only (1) when the Comptroller of the Currency shall be satisfied that the plan of reorganization is fair and equitable as to all depositors, other creditors and stockholders and is in the public interest and shall have approved the plan subject to such conditions, restrictions and limitations as he may prescribe and (2) when, after reasonable notice of such reorganization, as the case may require, (a) depositors and other creditors of such bank representing at least 75% in amount of its total deposits and other liabilities as shown by the books of the national banking association or (b) stockholders owning at least two-thirds of its outstanding capital stock as shown by the books of the national banking association or (c) both depositors and other creditors representing at least 75 percent in amount of the total deposits and other liabilities and stockholders owning at least two-thirds of its outstanding capital stock as shown by the books of the national banking association, shall have consented in writing to the plan of reorganization; provided, however, that claims of depositors or other creditors which will be satisfied in full under the provisions of the plan of reorganization shall not be included among the total deposits and other liabilities of the national banking association in determining the 75 percent thereof as above provided. When such reorganization becomes effective, all books, records, and assets of the national banking association shall be disposed of in accordance with the provisions of the plan and the affairs of the national banking association shall be conducted by its board of directors in the manner provided by the plan and under the conditions, restrictions and limitations which may have been prescribed by the Comptroller of the Currency. In any reorganization which shall have been approved and shall have become

SECTION 208. After fifteen days after the affairs of a bank shall have been turned back to its board of directors by the conservator, either with or without a reorganization as provided in Section 207 hereof, the provisions of Section 206 of this title with respect to the segregation of deposits received while it is in the hands of the conservator and with respect to the use of such deposits to liquidate the indebtedness of such bank shall no longer be effective; provided, that before the conservator shall turn back the affairs of the bank to its board of directors he shall cause to be published in a newspaper published in the city, town or county in which such bank is located, and if no newspaper is published in such city, town or county, in a newspaper to be selected by the Comptroller of the Currency published in the state in which the bank is located, a notice in form approved by the Comptroller, stating the date on which the affairs of the bank will be returned to its board of directors and that the said provisions of Section 206 will not be effective after fifteen days after such date; and on the date of the publication of such notice the conservator shall immediately send to every person who is a depositor in such bank under Section 206 a copy of such notice by registered mail addressed to the last known address of such person as shown by the records of the bank, and the conservator shall send similar notice in like manner to every person making deposit in such bank under Section 206 after the date of such newspaper publication and before the time when the affairs of the bank are returned to its directors.

SECTION 209. Conservators appointed pursuant to the provisions of this title shall be subject to the provisions of and to the penalties prescribed by Section 5209 of the Revised Statutes (U. S. C. Title 12, Sec. 592); and Sections 112, 113, 114, 115, 116 and 117 of the Criminal Code of the United States (U. S. C. SECTION 210. Nothing in this title shall be construed to impair in any manner any powers of the President, the Secretary of the Treasury, the Comptroller of the Currency, or the Federal Reserve Board.

SECTION 211. The Comptroller of the Currency is hereby authorized and empowered, with the approval of the Secretary of the Treasury, to prescribe such rules and regulations as he may deem necessary in order to carry out the provisions of this title. Whoever violates any rule or regulation made pursuant to this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than $5,000, or imprisoned not more than one year, or both.

TITLE III.

SECTION 301. Notwithstanding any other provision of law, any national banking association may, with the approval of the Comptroller of the Currency and by vote of shareholders owning a majority of the stock of such association, upon not less than five days notice, given by registered mail pursuant to action taken by its board of directors, issue preferred stock in such amount and with such par value as shall be approved by said Comptroller, and make such amendments to its articles of association as may be necessary for this purpose; but, in the case of any newly organized national banking association which has not yet issued common stock, the requirement of notice to and vote of shareholders shall not apply. No issue of preferred stock shall be valid until the par value of all stock so issued shall be paid in.

The Reconstruction Finance Corporation may, with the approval of the Secretary of the Treasury, and under such rules and regulations as he may prescribe, sell in the open market or otherwise the whole or any part of the preferred stock of any national banking association, state bank or trust company acquired by the Corporation pursuant to this section. Press Release Issued by Secretary of Treasury
March 9, 1933

"The President has today urged the immediate enactment of legislation dealing with the existing banking situation. It appears that prompt action will make banking facilities and an adequate supply of currency available. Notwithstanding the expected early opening of banks, the Secretary of the Treasury interposes no objection to the issuance of clearing house certificates or other evidences of claims against assets of banking institutions, in communities where local conditions made such action necessary. The regulation issued by the Secretary March 7, 1933 remains effective, granting permission to clearing house associations and other associations organized to provide an adequately secured medium of temporary exchange to issue certificates against sound assets of banking institutions, such certificates to be deliverable by each institution to its creditors and depositors on a prorata basis."

The Secretary of the Treasury has issued the following announcement and has released the same for publication:

Unless such requests are covered by interpretations previously issued by the Secretary of the Treasury, the Federal Reserve Banks will secure such interpretations from the Secretary of the Treasury. All requests for any special permission or consent required by the regulations should be made in accordance with such regulations."

The President's Bank Proclamation

The text of President Roosevelt's proclamation on the banking situation, issued at the White House at 11 o'clock p. m., March 5, 1933, is as follows:

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A Proclamation

WHEREAS there have been heavy and unwarranted withdrawals of gold and currency from our banking institutions for the purpose of hoarding; and

WHEREAS continuous and increasingly extensive speculative activity abroad in foreign exchange has resulted in severe drains on the nation's stocks of gold; and

WHEREAS these conditions have created a national emergency; and

WHEREAS it is in the best interests of all bank depositors that a period of respite be provided with a view to preventing further hoarding of coin, bullion or currency or speculation in foreign exchange and permitting the application of appropriate measures to protect the interests of our people; and

WHEREAS, it is provided in Section 5 (b) of the act of October 6, 1917 (40 stat. L. 411) as amended, "that the President may investigate, regulate or prohibit, under such rules and regulations as he may prescribe, by means of licenses or otherwise, any transactions in foreign exchange and the export, hoarding, melting or earmarkings of gold or silver coin or bullion or currency * * * ;

WHEREAS, it is provided in Section 16 of the said act "that whoever shall wilfully violate any of the provisions of this act or of any license, rule or regulation issued thereunder, and whoever shall wilfully violate, neglect or refuse to comply with any order of the President issued in compliance with the provisions of this act, shall, upon conviction, be fined not more than $10,000 or, if a natural person, imprisoned for not more than ten years or both * * * ;

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, PRESIDENT OF THE UNITED STATES OF AMERICA, IN VIEW OF SUCH NATIONAL EMERGENCY AND BY VIRTUE of the authority vested in me by said act and in order to prevent the export, hoarding or earmarking of gold or silver coin or bullion or currency, do hereby proclaim, order, direct and declare that from Monday, the sixth day of March, to Thursday, the ninth day of March, nineteen hundred and thirty-three, both dates inclusive, there shall be maintained and observed by all banking institutions and all branches thereof located in the United States of America, including the Territories and Insular Possessions, a bank holiday, and that during said period all banking transactions shall be suspended.

During such holiday, excepting as hereinafter provided, no such banking institution or branch shall pay out, export, earmark or permit the withdrawal or transfer in any manner or by any device whatsoever of any gold or silver coin or bullion or currency or take any other action which might facilitate the hoarding thereof; nor shall any such banking institution or branch pay out deposits, make loans or discounts, deal in foreign exchange, transfer credits from the United States to any place abroad, or transact any other banking business whatsoever.

During such holiday, the Secretary of the Treasury, with the approval of the President and under such regulations as may be prescribed, is authorized and empowered (a) to permit any or all of such banking institutions to perform any or all of the usual banking functions, (b) to direct, require or permit the issuance of clearing house certificates, or other evidences of claims of assets of banking institutions, and (c) to authorize and direct the creation in such banking institutions of special trust accounts for the receipt of new deposits which shall be subject to withdrawal on demand without any restriction or limitation and shall be kept separately in cash or on deposit in Federal Reserve Banks or invested in obligations of the United States.

As used in this order the term "banking institutions" shall include all Federal Reserve Banks, national banking associations, banks, trust companies, savings banks, building and loan associations, credit unions, or other corporations, partnerships, associations or persons, engaged in the business of receiving deposits, making loans, discounting business paper, or transacting any other form of banking business.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

Done in the City of Washington this 6th day of March, 1 A. M., in the year of Our Lord One Thousand Nine Hundred and Thirty-Three, and of the Independence of the United States the one hundred and fifty-seventh.

By the President:
CORDELL HULL,
Secretary of State.
