Hon. Marriner S. Eccles, Governor  
Federal Reserve Board  
Washington, D. C.

My dear Mr. Eccles:

I understand that Mr. William E. Chamberlain of the State Street Trust Company, Boston, who is also Assistant Secretary of the Commercial Club - The Merchants Club of Boston, is calling upon you in the near future to urge your acceptance of an invitation to address a joint meeting of his Club with The Beacon Society of Boston, to be held on some date in February.

The combined memberships of these organizations constitute a cross section of the most representative business and financial interests of this city.

I know that the members will be extremely interested in what you would have to say to them and I trust that your engagements will make it possible for you to accept this invitation.

Sincerely yours
