Washington, D. C.

Dear Eccles:

I would appreciate your sending  
me full copy of your address before the  
American Bankers Association.

I am enclosing clipping from  
the Winston-Salem Journal giving excerpts  
from a speech which I made before the North  
Carolina Realtors Association about the same  
time you were talking in New Orleans. It  
looks like we were thinking along the same  
lines.

With personal good wishes, I am

Very sincerely yours,

  
-Frank Hancock-

Chairman

November 20, 1935.

My dear Congressman:

As you requested in your note of November 15th, I am sending you a copy of my talk to the American Bankers Association at New Orleans last week, as taken down by the Association's stenographer. I did not prepare a written address, but spoke from notes which I made after I arrived in New Orleans.

From the clippings of your speech to the North Carolina Realtors Association which you were good enough to enclose, it appears that you and I are thinking along the same lines. That is very gratifying and reassuring to me, and I hope this feeling is mutual.

Sincerely yours,

M. S. Eccles,  
Chairman.

Honorable Frank Hancock,  
Oxford, North Carolina.
