

BOARD OF GOVERNORS  
OF THE  
FEDERAL RESERVE SYSTEM

## Office Correspondence

Date April 27, 1936.To Mr. Currie.

Subject: \_\_\_\_\_

From Mr. Thurston.

G P O 16-853

Attached is a list of questions which were written out by the Chairman's Cincinnati audience, but which he did not have time to answer. He asked me if you could prepare brief answers to these questions so that perhaps copies of the answers could be sent to those interested. The Chairman's idea is that the answers should be very brief and factual.

In some cases the questions are obviously sarcastic, as for example, question No. 45, and he felt that in such cases it should be stated that the question is obviously sarcastic and, therefore, not worthy of reply, or if any reply is made, it might be in the same vein.

This looks like quite a task to me, but the Chairman feels it is worth doing because these questions are typical of what is in the minds of fairly intelligent business men. He is, I think, holding a letter with the intention of replying as soon as answers can be prepared.
