INDIANAPOLIS

Honorable M. S. Eccles  
Chairman, Board of Governors  
Federal Reserve System  
Washington, D. C.

Dear Governor Eccles:

The writer is informed by Mr. B. D. Mitchell, president of this Association, that Governor Paul V. McNutt in his recent visit to Washington called upon you and had your assurance that the Indiana Bankers Association might expect you to appear upon our program for a luncheon on Friday, May 22.

We are indeed happy in having the privilege to announce that you will be with us, and for your information we are inviting some business men from Indiana and Indianapolis who are not actively engaged in the banking business to attend this luncheon also.

This is to apprise you of the fact that we are releasing an announcement of your appearance upon our program within the next few days.

I am writing your secretary with relation to the details of the time of your arrival.

Again assuring you of our appreciation for your cooperation, I am, with kindest regards,

Very truly yours,

  
Secretary
