¹ For coverage of series, see footnote 1, Table B-27.² Prior to April 1945, data relate to all employees except executives; for April 1945-May 1949, mainly to employees subject to the Fair Labor Standards Act; and beginning June 1949, to nonsupervisory employees only.³ Not available.⁴ Nine-month average, April through December, because of new series started in April 1945.⁵ Preliminary.

NOTE.—See Note, Table B-26.

Data are for production workers in manufacturing and mining, construction workers in contract construction, and for nonsupervisory employees in other industries (except as noted). Data are for pay period which includes the 12th of the month.

The annual figures for 1964 are the product of unweighted arithmetic averages of average weekly hours and of average hourly earnings for the 12 months and are not strictly comparable with the averages for earlier years.

Data for Alaska and Hawaii included beginning 1959.

¹ For coverage of series, see footnote 1, Table C-26.² Prior to April 1945, data relate to all employees except executives; for April 1945-May 1949, mainly to employees subject to the Fair Labor Standards Act; and beginning June 1949, to nonsupervisory employees only.³ Not available.⁴ Nine-month average, April through December, because of new series started in April 1945.⁵ Beginning 1964, data include eating and drinking places. Comparable data excluding eating and drinking places are \$69.94 for 1964.⁶ Preliminary.

NOTE.—See Note, Table C-25.

Data are for production workers in manufacturing and mining, for construction workers in contract construction, and for nonsupervisory employees in other industries (except as noted). Data are for pay period which includes the 12th of the month.

The annual figures for 1965 are the product of unweighted arithmetic averages of average weekly hours and average hourly earnings for the months shown and are not strictly comparable with the averages for earlier years.

Data for Alaska and Hawaii included beginning 1959.

¹ For coverage of series, see footnote 1, Table B-26.² Prior to April 1945, data relate to all employees except executives; for April 1945-May 1949, mainly to employees subject to the Fair Labor Standards Act; and beginning June 1949, to nonsupervisory employees only.³ Nine-month average, April through December, because of new series started in April 1945.⁴ Beginning 1964, data include eating and drinking places. Comparable figure excluding eating and drinking places is \$69.94 for 1964.

NOTE.—See Note, Table B-25.

Data are for production workers in manufacturing and mining, for construction workers in contract construction, and for nonsupervisory employees in other industries (except as noted). Data are for pay period which includes the 12th of the month.

Data for Alaska and Hawaii included beginning 1959.
