With respect to all approved expenditures by you for Victory Fund Committee or War Finance Committees incurred on or after July 1, 1943, it is our intention, by adjustment of allotments, to credit Federal Reserve Banks and debit the War Finance Division Stop In order that your allotment may receive proper credit for these expenditures, each monthly reimbursement voucher for expenses of current issues of savings bonds beginning with voucher for July, shall include a separate abstract on Form 804 which will specifically itemize and identify those expenditures included in the voucher which are properly chargeable to War Finance and Victory Fund Committee organizations Stop These items should not be separately vouchered Stop These claims will not extend beyond the transition period except on specific authorization.
