Honorable Marriner C. Eccles  
Federal Reserve Board,  
Washington, D. C.

Dear Mr. Eccles:

I have your letter about a possible appearance before the Senate Committee. Will you not have somebody in your office send me the copies of all your speeches and other statements which are readily available? Will you also have somebody send me, with the bill, the report of all your testimony before the ~~Senate~~ Committee?

If I am to appear before the Committee I must study all this in advance. I want to study it anyway.

Faithfully,

*William F. Foster*
