DEC - 6 1936

Honorable Marriner S. Eccles,
Chairman, Federal Reserve Board,
Washington, D. C.

My dear Mr. Eccles:

I take pleasure in sending you "Urban Housing", the story of the Housing Division of the Public Works Administration. This bulletin is intended to serve as a popular reference work and to fix the position of the Housing Division in the housing movement now under way.

"Urban Housing" explains the purpose of the Division and presents its achievements from its creation in 1933 to the summer of 1936. It marks what I consider to be a significant chapter in the social progress of this country and I hope you will find it interesting.

Sincerely yours,

Harold F. Clegg

Administrator.

Honorable Harold L. Ickes
Federal Emergency Administrator of Public Works
Washington, D. C.

Dear Mr. Ickes:

This will acknowledge yours of December 8th with which you transmitted a copy of "Urban Housing", issued by the Housing Division of the Public Works Administration.

This bulletin will be a valuable contribution to present thought on the subject of low cost housing in which I personally have a keen interest both as an aid to further economic recovery as well as for the important social aspects involved.

Yours very sincerely,

M. S. Eccles
Chairman.
