

December 17, 1945.

Dear John:

This is just a word to congratulate you on your excellent statement on the housing situation which the President made public.

I had felt greatly disturbed, as I think you know, about the housing situation and the gap left by the removal of L-41. It is especially reassuring to have you move on this important front as you have done.

May I take this occasion to send you my best wishes for the Holiday Season.

Sincerely yours,

The Honorable John W. Snyder,
Director, Office of War
Mobilization and Reconversion,
