

Form F. R. 511

TO Chairman Eccles

FROM Mr. Gardner

4/25/41

REMARKS:

I just heard from Mr. Berle of the State Department that on May 1, at 10:00 o'clock there will be a private executive hearing on the Inter-American Bank Convention - in the Foreign Relations Committee Room at the Capitol.

Whether or not anyone is expected to testify is not yet clear. But I am still trying to ascertain something definite on this.

If you wish to speak to me about these matters before you leave, I will be available, at your convenience.
