Hon. Marriner S. Eccles,
Chairman, Board of Governors,
Federal Reserve System,

My dear Mr. Eccles:

I listened to your talk on the radio last evening and was very much impressed with the way you presented your case. I should like to talk over some of the points you brought up sometime and I might want to argue a little with you, but on the whole I am in sympathy with your point of view.

I would appreciate it very much if you will send me a copy of your address so that I may study it in detail.

With all good wishes, I am

Sincerely yours,

Edw. A. O'Neal - President

Dear Mr. O'Neal:

I wish to acknowledge and thank you for your brief note of January 24 in which you were good enough to make some complimentary references to my radio talk of last Monday. You indicate that there are some points which you would like to discuss with me and I would be very glad to do so at the first opportunity.

As requested, I am enclosing a copy of my radio address, also a copy of my open letter to the Senator under date of December 22, 1938, which covers some points which had to be omitted from the radio address on account of the time limit.

With best wishes, I am

Yours sincerely,

M. S. Eccles
