My dear Sir:

I am enclosing a letter, dated May 29, 1946, from Wright C. Pickering, 35 Elm Avenue, Watson Apts., Long Beach 2, California, which letter is self-explanatory.

I shall appreciate it if you will give this matter your immediate attention, advising me of any action you may take in this case and whether or not you are in a position to comply with the suggestion contained in the enclosed letter, making your reply in duplicate, referring to my constituent's name, and returning to me my enclosure.

Thanking you in advance for an early reply,

The Honorable Clyde Doyle,
House of Representatives,
Washington, D. C.

Dear Mr. Doyle:

I am returning herewith the letter of May 29 from Mr. Wright C. Pickering, Long Beach, California, which was enclosed in your letter to me of June 8.

I am at a loss to understand why Mr. Pickering suggested that I be consulted, as the matter is entirely out of my field of activity or responsibility. I regret that there is nothing I can do to assist him in retaining his present employment at Roosevelt Base Terminal Island.

Sincerely yours,

M. S. Eccles,
Chairman.
