Office Correspondence

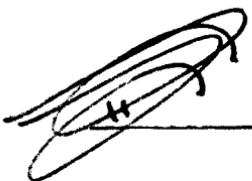

To Chairman Eccles

From Ronald Ransom

Date September 25, 1941
3:25 P.M.

Subject: _____

I have just had a call from Mr. Brown, Clerk of the Banking and Currency Committee of the House, who said he was calling to be sure that you understood that the Committee expected you to appear and testify on the Price Control Bill on Monday morning, September 29. Mr. Brown said he thought the time would be 10:30 but that he would, in the meantime, advise your office definitely about the hour. I told him that you had been advised that you were to appear on Monday and that you would be in Washington tomorrow morning.

A handwritten signature in black ink, appearing to read "Ronald Ransom".
