Dear Marrison;

You have come  
thru' with flying  
colors! I am glad to  
see the President eat  
his Crow - The Press  
in this section is  
loud in your praise,  
& I know that you  
have some satisfaction  
in seeing the boys  
squirm a little bit. The  
quad laugh you have  
had will, at least, keep  
youm dignified!

As would you have  
done a quad job.

Good luck & success

Dear Leo:

Your cheering words are always welcome and gratifying, so I just wanted to send you this acknowledgment of your August 4 commentary, which pleased me very much.

The editorial you enclosed is fairly typical. I don't have to tell you where it goes off the track.

Best regards.

Sincerely yours,

Mr. Leo H. Paulger,
