

BANKERS TRUST COMPANY
SIXTEEN WALL STREET
NEW YORK

J. P. DREIBELBIS
VICE PRESIDENT

August 17, 1948

Dear Marriner:

It seems a little odd to be addressing you any way other than "Mr. Chairman" and I suppose I never will get used to anything else. I do want you to know how much I appreciated your note of August 5th. Despite the appearance in the photograph, I have not gone native - at least I do not think I have. That, however, does not mean that I am a Truman supporter. I quit him, or vice versa, some time ago. Incidentally, I surely would like to see a transcript of your recent testimony before the Banking and Currency Committee and I have asked Miss Egbert to see if she could get me a copy.

Where Jimps and I were on vacation the news was very sparse. One thing I found out was that where people don't know about troubles they don't have any, or at least are not aware of them if they do.

With best regards and hoping to see you sometime soon, I am

Sincerely,

Hon. Marriner S. Eccles
Board of Governors of the
Federal Reserve System

Dear Pack:

In accordance with your request I am sending you a copy of Mr. Eccles' testimony before the Senate Banking and Currency Committee.

With kind regards.

Sincerely,

Secretary to Mr. M. S. Eccles.
