Honorable M. S. Eccles, Chairman  
Board of Governors  
Federal Reserve System  
Washington, D. C.

Dear Sir:

I acknowledge your letter of November 28 enclosing copy of your remarks on the current inflation problem as presented to the members of the Joint Committee of Congress.

I am glad to receive the full report as, so far, all I had seen were extracts in the local papers.

Sincerely yours,

Donald C. White  
Executive Vice-President
