Governor Marriner S. Eccles  
Federal Reserve Board  
Washington, D. C.

Dear Sir:

I should like a copy, if you have a spare one, of your statement before a Congressional committee last November -- November 15, I believe it was.

This is requested in connection with studies I am pursuing at the Graduate School of Banking at Rutgers University, New Brunswick, New Jersey. I enclose an addressed postcard for your convenience.

Very truly yours,
