Hon. Marriner S. Eccles, Esq., Chairman
Federal Reserve Board
Washington, D. C.

My dear Mr. Eccles:

This is to acknowledge receipt of stenographic copy of your address, which I have read several times for the purpose of memorizing some of the important features contained therein.

I have taken the liberty on several occasions when the depression has been discussed, to quote to our local manufacturers at Rotary Club meetings, the improvement between 1932 and 1935, as outlined by you.

Please let me assure you that the constructive views propounded by you are greatly appreciated by me, and the words of wisdom contained in the address act as a source of inspiration and courage to me at times when I am depressed and discouraged by conditions in general.

Very truly yours
