Dear Mr. Thurston:

You will read, I hope, the letter just written to Mr. Eccles. In keeping this engagement as he did, he enabled the Economic Club to live up to its non-partisan, unbiased position.

Let me thank you again for your very tactful and helpful cooperation in this matter. It could not have been carried through to a successful issue without your invaluable aid.

I am sorry you and I did not have more opportunity to talk with one another. I hope that opportunity may come in the near future. Do try to drop in whenever you are in New York and lunch with me at our Town Hall Club in this building.

With warm regard,

Yours sincerely and cordially,

*Robert E. Ely*
