

Federal Reserve Bank of Chicago

OFFICE OF THE PRESIDENT

December 12, 1946

Dear Marriner:

I sent a copy of your talk before the Bank Management Conference of the New England Council to a selected group, and I was pleased indeed that, regardless of their particular interest, they praised your speech highly and complimented you on your sincerity.

I attended the annual banquet of the National Manufacturers Association the other night, and five of the people with whom I talked had read the speech and were very complimentary in their remarks concerning it.

Regards,

Mr. Marriner S. Eccles, Chairman
Board of Governors of the
Federal Reserve System
