Sept. 14-1936.

Hon. M. S. Eccles,  
c/o Eccles Investment Company,  
Ogden, Utah,

Dear Mr. Eccles:

Upon receipt of yours of the 12th I have wired you as follows which I now beg to confirm: "Your suggestions entirely satisfactory. Please wire me at Des Moines when you have determined the exact date stating time of arrival. While I will be out of the city my secretary will be able to reach me."

I have made reservations for both the 29th and the 30th. I assume you will be able to advise us by wire four or five days before the date set in order that proper invitations may be sent out.

Everything is prepared so that even though I am out of the city my secretary will be able to reach me and complete arrangements.

We will appreciate your visit here and I am personally looking forward to the pleasure of meeting you again.

Sincerely yours,

LCF

  
B. F. Kauffman
