Dear Marriner:

Thanks for your letter of March 15th. We are all set to have you address our Chamber of Commerce at about 6:30 P. M., April 4th. This will fit in nicely with your plane arrival at 3:25 P. M. of that day. Our winter has given away to beautiful spring weather and by April 4th this country will be in full bloom. You should have splendid flying weather.

You will have as a companion on the 83 minute non-stop flight from Boise to Lewiston, none other than your close friend of long standing, Mr. Lynn Driscoll. I shall be more than pleased to drive the both of you to Pullman the morning of April 5th at whatever hour you elect. We will all be in attendance at the first session of the Northwest Conference on Banking when your name appears on the program at 2:15 of that day.

We can leave Pullman any time you say on April 5th. After the banquet, if you wish, we could leave about 9:00 P. M. and thus get you to Spokane about midnight so that you could catch your plane for Los Angeles at 6:00 A. M. on April 6th. I don't know just what Lynn's arrangements will be but he may take the United from Spokane to Boise on April 6th.

We are certainly glad to know that you are coming to Lewiston and I will make reservations for you and Lynn for the night of April 4th.

With kind personal regards, I beg to remain

Yours very truly,

H. M. Emerson
Sr. Vice President
