Dear Mr. Eccles:

I am delighted that you find it possible to address the members of the City Club at noon on Saturday, April 21st.

Mr. Gidney, no doubt, has told you something about the City Club and I will be glad to supply any additional information you may need.

You are free to talk on any subject you choose and it is not necessary to have a prepared manuscript. Our speakers usually take about forty-five minutes and use the remaining time on the air for questions. I would appreciate it if you would suggest a title for your talk and send it sometime before April 10th.

With very kind regards, I am

Very truly yours,
