Dear Mr. Eckers -

Your paper came
just before I left
Wash. and I have

read it, and
loaned it over

with the greatest
of interest. all

too many trust
the economic future
of the country to
"others", and as
you said that
night at dinner
"without a sound
economic program
there will be no
future for our
children, either

We are always
fighting wars for
our children, and
grandchildren, but
lose interest when
the glamour of
the war news dies,
and ^{where} the boys come
back. It seems
to be there is grief
to be an angel.

Every country fighting
to live, and to keep their
possessions, on top of
resisting the Russian
influence.

I hope you will
keep pounding, and
will be able to return
the best men in the
country to work with
you.

I have enjoyed
seeing you, and hope
it will not be long
before we meet, again
with thanks & very
Sincerely
