Dear Mr. Miner,

The excellent statement  
you have just released prompts me  
to say I hope there is no truth  
to the rumor that you are leaving  
the Board of Governors.

Sincerely  
C. Upham

Dear Cy:

I was pleased to receive your complimentary note when I was in Utah. It was thoughtful of you to say that you hope I am not leaving Washington.

I often think of the days gone by when conditions here were much more satisfactory (I feel sure, at least, from your and my point of view). I have been planning for some time to return to Utah. I feel that I have about served out my usefulness and should get out of here before I feel more frustrated and futile than I do now.

I do appreciate the support and confidence I have always had from you. I hope all is going well for you.

With kindest personal regards,

Sincerely yours,

M. S. Eccles.
