Index Digest of the Federal Reserve Act
New Edition

*To all Member Banks in the
Second Federal Reserve District:*

The Federal Reserve Board has requested us to advise you that it has had prepared through Mr. C. S. Hamlin, one of its members, a third edition of the Index Digest of the Federal Reserve Act. The first edition came out in 1915 and the second in 1918. Since the publication of the second edition, the Federal Reserve Act has been amended in many important particulars. The new edition contains the text of the Federal Reserve Act as amended to date, and the text of other Acts which either amend it or have relation to it. Each line of the text is numbered for ready reference, and there is contained an alphabetical table of words and phrases contained in all the various Acts, with a concise digest showing the use of each word and phrase, and the corresponding use in other sections of the respective Acts, the references being to section, line, and page of the text. The price of the Digest is \$2.00 per volume.

Member banks and others in this district who desire to purchase the book are requested to send their subscriptions to us promptly in order that the Federal Reserve Board may be advised as to the number of copies it is necessary to print.

Very truly yours,

BENJ. STRONG,
Governor.
