

FEDERAL RESERVE BANK  
OF NEW YORK

Check Department

[Circular No. 728, July 1, 1926]  
Superseding Circular 672

Collection of Checks

To all Member and Nonmember Clearing Banks  
in the Second Federal Reserve District:

You will find in this circular the current rules and regulations covering the collection of checks by this bank. The circular supersedes the provisions of our Circular 672 covering check collections but makes no substantial changes in the procedure heretofore established.

No member bank is required to use the check collection system, but may, without charge and subject to the terms of this circular, send checks for collection through us regularly, occasionally, or not at all; or may collect them through present correspondents or in any other manner considered advantageous.

The rules and regulations herein contained are binding upon any bank which sends any check to us for collection or to any other Federal Reserve Bank for our account for collection. The circular covers not only the mutual rights and duties of this bank and all banks which send checks to us for collection, but also the conditions to be observed by banks to which we send checks for collection or remittance. Particular attention is directed to the following general conditions.

I. GENERAL CONDITIONS UNDER WHICH ITEMS ARE ACCEPTED

Every bank sending checks or other cash items to the Federal Reserve Bank of New York, or to its Buffalo Branch, or to another Federal Reserve Bank direct, for our account, will be understood by such act to have agreed to the terms and conditions of this circular and of Regulation J, Series of 1924, of the Federal Reserve Board.

Terms of Collection

Regulation J of the Federal Reserve Board prescribes the following terms and conditions under which all Federal Reserve Banks will handle checks for member and nonmember clearing banks when received for deposit and/or collection.

The Federal Reserve Board hereby authorizes the Federal Reserve Banks to handle such checks subject to the following terms and conditions; and each member and nonmember clearing bank which sends checks to any Federal Reserve Bank for deposit or collection shall by such action be deemed (a) to authorize the Federal Reserve Banks to handle such checks subject to the following terms and conditions, (b) to warrant its own authority to give the Federal Reserve Banks such authority and (c) to agree to indemnify any Federal Reserve Bank for any loss resulting from the failure of such sending bank to have such authority.

(1) A Federal Reserve Bank will act only as agent of the bank from which it receives such checks and will assume no liability except for its own negligence and its guaranty of prior indorsements.

(2) A Federal Reserve Bank may present such checks for payment or send such checks for collection direct to the bank on which they are drawn or at which they are payable, or in its discretion may forward them to another agent with authority to present them for payment or send them for collection direct to the bank on which they are drawn or at which they are payable.

(3) A Federal Reserve Bank may in its discretion and at its option, either directly or through an agent, accept either cash or bank drafts in payment of or in remittance for such checks and shall not be held liable for any loss resulting from the acceptance of bank drafts in lieu of cash, nor for the failure of the drawee bank or any agent to remit for such checks, nor for the nonpayment of any bank draft accepted in payment or as a remittance from the drawee bank or any agent.

(4) Checks received by a Federal Reserve Bank on its member or nonmember clearing banks will ordinarily be forwarded or presented direct to such banks, and such banks will be required to remit or pay therefor at par in cash or bank draft acceptable to the collecting Federal Reserve Bank, or at the option of such Federal Reserve Bank to authorize such Federal Reserve Bank to charge their reserve accounts or clearing accounts; provided, however, that any Federal Reserve Bank may reserve the right in its check collection circular to charge such items to the reserve account or clearing account of any such bank at any time when in any particular case the Federal Reserve Bank deems it necessary to do so.

## COLLECTION OF CHECKS

(5) Checks received by a Federal Reserve Bank payable in other districts will be forwarded for collection upon the terms and conditions herein provided to the Federal Reserve Bank of the district in which such checks are payable.

(6) The amount of any check for which payment in actually and finally collected funds is not received shall be charged back to the forwarding bank, regardless of whether or not the check itself can be returned.

We reserve the right, as provided for above, to charge items forwarded to our member banks or nonmember clearing banks, to the reserve account or clearing account of any such bank at any time when in any particular case we deem it advisable to do so.

## II. ITEMS RECEIVED UNDER THIS CIRCULAR

The Federal Reserve Bank of New York receives at par from its member banks:

(a) Checks drawn on banking institutions (including private bankers) in the United States which can be collected at par and such other items which can be collected at par which we may elect to handle as cash items.

(b) Government warrants and checks. Member banks of this district, other than members of the New York Clearing House Association, may include in their remittances to the Federal Reserve Bank of New York for immediate credit at par, but subject to payment by the Treasurer of the United States, Government warrants and checks drawn on the Treasurer of the United States. Members of the New York Clearing House Association may send Government warrants and checks to the Federal Reserve Bank through the Clearing House, subject to payment by the Treasurer of the United States.

The Federal Reserve Bank will not receive under the terms of this circular the following classes of items:

(a) Collection items as defined by our Circular No. 673, "Collection of Maturing Notes, Bills, and Other Collection Items." This includes any check or draft with pass book, certificate or other similar form of receipt attached. Such items will be handled as collection and not as cash items.

(b) Any check drawn on a bank located outside of this district which bears the indorsement of a bank located outside of this district.

In the interests of good banking, the indirect routing of checks will be discouraged and member banks will not be permitted to deposit with us, or send direct to other Federal Reserve Banks or Branches for our account, any checks payable in other Federal Reserve Districts, which bear the indorsement of banks located in other Federal Reserve Districts, in cases where it is evident that such checks have been routed indirectly.

(c) Checks or drafts on banking institutions which cannot be collected at par. Such items will not be received, either as cash items under this circular or as collection items under our Circular No. 673, "Collection of Maturing Notes, Bills, and Other Collection Items."

(d) Checks which have been once presented and dishonored or protested. Such checks must not be included in cash letters and will be handled only as collection items.

### Direct Sending to Other Federal Reserve Banks of Items Drawn on Banking Institutions in Other Districts

Member banks will be permitted, under certain conditions and regulations, to route checks payable in other Federal Reserve Districts direct to the other Federal Reserve Banks and Branches of the districts in which the items are payable, for our account, provided permission to do so is first obtained from the Federal Reserve Bank of New York. Member banks desiring to avail themselves of this privilege will write us for permission (if permission has not already been obtained) and, if granted by us, they will be advised in a separate letter giving full information and complete instructions.

It will be understood that items sent direct are subject to the terms and conditions of this circular.

### III. CREDIT AND HANDLING OF CASH ITEMS BY FEDERAL RESERVE BANK OF NEW YORK

#### Credit for Items Sent to Us

For all checks received by us under this circular credit at par upon receipt will be given in the member bank's deferred account. Credit will be given in the member's reserve account, and the proceeds of the items will become available when the appropriate time indicated on the current time schedule has elapsed. Our acknowledgment of member bank's cash letters shows the date of receipt and the date upon which the amounts will be transferred from the deferred to the reserve account.

Credit and availability are in all instances subject to our actual receipt of payment as specified on page 1 in the "GENERAL CONDITIONS UNDER WHICH ITEMS ARE ACCEPTED." In this connection attention is invited to the fact that the periods of the time schedule are based generally upon the average mail time required for items to reach the paying bank, plus the time required for the paying bank to remit to the Federal Reserve Bank, and they do not necessarily indicate the actual time required for collection. It must be borne in mind, therefore, that advice of availability cannot and must not be considered advice of actual payment.

For Government checks and warrants immediate credit at par will be given, but such credit will be subject to payment by the Treasurer of the United States and to the general conditions of this circular applicable to all items.

#### Method of Handling Government Checks and Warrants

The Treasurer of the United States reserves the usual right of the drawee to examine, when received, all Government warrants and checks and to refuse payment thereon, and the Federal Reserve Bank of New York will handle such items in accordance with the provisions of Treasury Department Circular 176, as amended and supplemented May 15, 1922. The following three paragraphs are taken from that circular:

- (1) The Treasurer will return immediately any warrant or check, payment of which is refused on account of forged signature of drawer, insufficient funds, stoppage of payment, or any material defect discovered upon first examination. Such items will be charged back and returned to the depositing bank for immediate credit.
- (2) In the event that any warrant or check which has been paid by the Treasurer is subsequently found to bear a forged indorsement, or to have been raised, or to bear any other material alteration or defect which was not discoverable upon first examination, a photographic copy of the warrant or check will be sent to the depositing bank, but its account will not be charged pending adjustment.
- (3) In cases of warrants or checks bearing a forged signature of the drawer, not discovered upon first examination by the Treasurer, and in other cases where the Treasurer's right to reclaim is in question, the warrants or checks will not be charged to the account of the depositing bank but will be returned to it as collection items for adjustment.

#### Unpaid Checks and Protest Instructions

The Federal Reserve Bank of New York will receive and forward checks as cash items under the conditions of this circular, subject only to the following uniform instructions:

- (1) DO NOT PROTEST items of \$10.00 or less.
- (2) PROTEST dishonored items of \$10.01 or over, except those bearing on their face the A. B. A. no protest symbol of the Federal Reserve Bank or of a preceding bank indorser.
- (3) WIRE ADVICE of non-payment of all items of \$500.00 or over.

All Federal Reserve Banks (and branches) will receive and handle checks as cash items only in accordance with these uniform instructions, and any contrary or special instructions noted on cash letters or attached to checks will be disregarded. If any member bank should desire to have any checks handled by the Federal Reserve Bank of New York or by any other Federal Reserve Bank, under any instructions contrary to the uniform instructions given above, it will be necessary for such member bank to forward such checks as individual non-cash items with the instructions noted in the letter of transmittal, for collection and credit when paid, in accordance with the terms of our circular No. 673.

All telegraphic costs pertaining to payment or non-payment, or in connection with receiving or transmitting any other information or instructions, will be charged to the account of the depositing bank. All such telegrams to the depositing bank will be sent "Collect".

### Indorsement of Checks

## IV. PRACTICE FOR SENDING BANK

All checks forwarded to this bank must be indorsed without restriction to the order of the Federal Reserve Bank of New York or to the order of any bank, banker or trust company with all prior indorsements guaranteed and show the American Bankers' Association transit number of the indorsing bank in prominent type on both sides of the indorsement stamp.

All items should be described on cash letters by inserting the name of bank and town upon which they are drawn, or by inserting the A. B. A. transit number of the bank.

### Unpaid Checks and Protest Instructions

If it is desired that checks be handled, as to protest and notice of dishonor, other than in accordance with the above instructions, they must be sent us as collection items with special instructions and we will forward them accordingly.

### Sorting Checks

In order to expedite the forwarding of checks and to obtain prompt credit, member banks are requested to sort and list checks in accordance with the divisions of our time schedule, with a separate letter or total for each separate time group. All letters received, separated in accordance with the time schedule, will be credited in full for the total shown and errors in listing or footing will be adjusted by a separate debit or credit. Checks received unsorted will not be made available until the lapse of the longest period applicable to any of the items enclosed.

### Federal Reserve District Number on Checks

In order to expedite the sorting and routing of checks, all banking institutions in this district are requested to print on their own checks and the checks used by their depositors the figure "2" (signifying Federal Reserve District, No. 2), preferably in a large skeleton figure in the center of the check.

## V. PRACTICE FOR PAYING AND COLLECTING BANKS

The Federal Reserve Bank will furnish a supply of return remittance form of letter for the use of the remitting bank. A copy of this form should be returned with each remittance draft.

Any items received in any letters from the Federal Reserve Bank that are unpaid, unless held for protest, should be returned with the remittance for such letter, the total unpaid items to be deducted from the footing of such letter, and the net amount remitted, so that in each instance the remittance plus unpaid items returned therewith, plus items, if any, held for protest, will equal the amount of the letter. Items held for protest should be returned with draft in payment of the next succeeding letter, the amount of the protest fees being deducted from such letter.

Notice of non-payment shall be given and protest made in accordance with the instructions indicated on page 3 of this circular.

When wiring advice of non-payment of items, give the date of our letter, the indorsement immediately preceding ours, and the reason for non-payment.

Items indorsed by the Treasurer of the United States, Collectors of Internal Revenue, and Customs, or other items that are in payment of an obligation of the United States, do not protest.

Do not hold unpaid checks, return them at once.

All checks returned to us for indorsement should be certified.

### Collectible at Par Through the Federal Reserve Bank of New York

Member banks and banking institutions remitting at par are entitled to place the words, "Collectible at par through the Federal Reserve Bank of New York," on their own checks and the checks used by their depositors. Attention is called to the desirability of availing of this privilege.

The right is reserved to withdraw, add to, or amend at any time or from time to time any or all of the foregoing rules and regulations with or without previous notice.

Very truly yours,

**BENJ. STRONG,**

Governor.

FEDERAL RESERVE BANK  
OF NEW YORK

June 29, 1926

To accompany Circular No. 728

*To all Member and Nonmember Clearing Banks  
in the Second Federal Reserve District:*

We enclose herewith a copy of our revised circular No. 728 covering the collection of checks by this bank, which becomes effective July 1, 1926. You will observe that the only change of substance appears in the first paragraph on page 4. Under our present practice the only telegraphic costs which have been absorbed by the Federal Reserve Banks relating to the payment or non-payment of items or in connection with receiving or transmitting any other information or instructions relative to collection of items have been the costs of telegrams giving advice of the non-payment of items of \$500 or over. The paragraph in question does away with this exception so that while Federal Reserve Banks will continue as in the past to give advices of non-payment of items of \$500 and over, nevertheless on and after this date the cost of all telegrams relating to the payment or non-payment of items or in connection with receiving or transmitting any other information or instructions will be charged to the account of the depositing bank, and all such telegrams sent direct to the depositing banks will be sent "Collect".

The time schedules for both the Federal Reserve Bank of New York and the Buffalo Branch dated June 1, 1925 as modified on April 13, 1926 by our circular No. 720 showing when the proceeds of items will become available, will remain in effect.

Very truly yours,

BENJ. STRONG,

*Governor.*

FEDERAL RESERVE BANK  
OF NEW YORK

March 1, 1927

To accompany time schedules dated March 1, 1927

*To all Member and Nonmember Clearing Banks  
in the Second Federal Reserve District:*

Due to a number of changes in the lists of banking institutions in New York, Brooklyn and New Jersey referred to in our New York and Buffalo time schedules showing when the proceeds of items will become available, we have deemed it advisable to issue new schedules at this time bringing the lists up to date. No changes however are made in the rules and regulations covering the collection of checks as set forth in our circular No. 728 of July 1, 1926, nor in the time periods themselves indicated in the schedules.

The new time schedules, copies of which are enclosed, are effective as of March 1, 1927 and supersede our schedules dated June 1, 1925.

Very truly yours,

BENJ. STRONG,  
*Governor.*

## TIME SCHEDULE INFORMATION AND INSTRUCTIONS

In order to expedite the forwarding of checks and the obtaining of prompt credit therefor, member banks are requested in the preparation of their letters to sort their checks in accordance with the foregoing time schedule, with a separate letter and total for each separate time group.

All letters received, so classified, will be credited in full for the total shown, and errors in listing or footing will be adjusted by a separate debit or credit. Checks received unsorted will be made available for the longest period required to collect any item inclosed.

Two-day items received by us in time to be forwarded Saturday will be available Tuesday.

Four-day items received by us in time to be forwarded Thursday will be available Tuesday, and those received by us in time to be forwarded Friday and Saturday will be available Wednesday.

Credit and availability are in all instances subject to our actual receipt of payment. In this connection attention is invited to the fact that the periods of the time schedule are based generally upon the average mail time required for items to reach the paying bank, plus the time required for the paying bank to remit to the Federal Reserve Bank, and they do not necessarily indicate the actual time required for collection. It must be borne in mind, therefore, that advice of availability cannot and must not be considered advice of actual payment.

### Indorsement of Checks

All checks forwarded to this bank must be indorsed without restriction to the order of the Federal Reserve Bank of New York or to the order of any bank, banker or trust company with all prior indorsements guaranteed and show the American Bankers' Association transit number of the indorsing bank in prominent type on both sides of the indorsement stamp.

All items should be described on cash letters by inserting the name of bank and town upon which they are drawn, or by inserting the A. B. A. transit number of the bank.

### General Conditions Under Which Items Are Accepted

*Every bank sending checks or other cash items to us, or to another Federal Reserve Bank, for our account, will be understood to have agreed to the terms and conditions of our Check Collection Circular and of the Regulation of the Federal Reserve Board governing check clearing and collection.*

## TIME SCHEDULE INFORMATION AND INSTRUCTIONS

In order to expedite the forwarding of checks and the obtaining of prompt credit therefor, member banks are requested in the preparation of their letters to sort their checks into the following classes and list each class on a separate sheet or total.

- (a) Items drawn on members of the New York Clearing House (List A, page 4).
- (b) Items drawn on other New York City banks (List B, page 6) and on Brooklyn banks and bankers (page 7).
- (c) Items drawn on members of the Northern New Jersey Clearing House Association (List C, page 8).
- (d) Checks and warrants on Treasurer of the United States, Washington, D. C.
- (e) Items drawn on one-day points.
- (f) Items drawn on two-day points, subdivided into
  1. A letter containing items drawn upon banks situated in the State of New York.
    - (a) Cities and towns—A to L.
    - (b) Cities and towns—M to Z.
  2. A letter containing items drawn upon banks situated in the portion of New Jersey that is in this district, and Fairfield County, Conn., and
  3. A letter covering all other items on the two-day points outside of this district.
- (g) Items drawn on three-day points.
- (h) Items drawn on four-day points.
- (i) Items drawn on five-day points.
- (j) Items drawn on eight-day points.

All letters received, classified as above, will be credited in full for the total shown, and errors in listing or footing will be adjusted by a separate debit or credit. Checks received unsorted will be made available for the longest period required to collect any item inclosed.

Two-day items received by us in time to be forwarded Saturday will be available Tuesday.

Four-day items received by us in time to be forwarded Thursday will be available Tuesday, and those received by us in time to be forwarded Friday and Saturday will be available Wednesday.

Credit and availability are in all instances subject to our actual receipt of payment. In this connection attention is invited to the fact that the periods of the time schedule are based generally upon the average mail time required for items to reach the paying bank, plus the time required for the paying bank to remit to the Federal Reserve Bank, and they do not necessarily indicate the actual time required for collection. It must be borne in mind, therefore, that advice of availability cannot and must not be considered advice of actual payment.

### Indorsement of Checks

All checks forwarded to this bank must be indorsed without restriction to the order of the Federal Reserve Bank of New York or to the order of any bank, banker or trust company with all prior indorsements guaranteed and show the American Bankers' Association transit number of the indorsing bank in prominent type on both sides of the indorsement stamp.

All items should be described on cash letters by inserting the name of bank and town upon which they are drawn, or by inserting the A. B. A. transit number of the bank.

### General Conditions Under Which Items Are Accepted

*Every bank sending checks or other cash items to us, or to another Federal Reserve Bank, for our account, will be understood to have agreed to the terms and conditions of our Check Collection Circular and of the Regulation of the Federal Reserve Board governing check clearing and collection.*
