¹ Estimates based on incomplete data; second quarter by Council of Economic Advisers.

² Includes income on investments.

³ "OEEC countries" are those which are members of the Organization for European Economic Cooperation. They are the countries which participated in the European Recovery Program prior to its termination.

⁴ Not available.

⁵ Includes international institutions.

⁶ In 1950-52, includes "special category" exports sold for cash, but excludes all transactions under the Mutual Defense Assistance Program.

NOTE.—Detail will not necessarily add to totals because of rounding.
