"Securities companies" as adjuncts to national banks often a menace.....	55
Banks exercising trust powers had best avoid hazardous connections.....	56
Desirable that active officers of large national banks be not directors in other corporations.....	57
Salaries of officers of large national banks.....	58
Comptroller's recommendations for legislation made in previous years again urged.....	60
Form suggested for certain amendments to bank act.....	68
Trust companies and banks in the District of Columbia.....	72
Savings banks and loan and trust companies in the District of Columbia.....	73
Duties and liabilities of national-bank directors.....	73
Bank officers and employees convicted of criminal violations of law during the year ended October 31, 1920.....	73
Digest of court decisions in bank cases.....	76
Letters of credit and guaranties connected therewith by national banks.....	77
Directors personally reimburse \$500,000 in ultra vires transaction.....	78
Exorbitant interest rates in New York banks.....	79
Recommendation relative thereto.....	94
Possible reasons why New York brokers do not resist high money rates.....	106
Money rates in Canada much below New York rates.....	106
Conditions under which charters are granted to new national banks.....	107
Increase in number of depositors in national banks.....	110
Classification and number of deposit accounts in national banks on June 30, 1920, by central reserve, reserve cities, and country banks.....	112
Abstract of reports of condition of national banks at the date of each call during the report year.....	114
Condition of national banks September 8, 1920.....	116
Loans and discounts.....	116
Overdrafts.....	117
United States Government securities owned.....	117
Other bonds, securities, etc.....	117
Stocks.....	117
Bank premises and other real estate owned.....	118
Due from banks.....	118
Exchanges for clearing house.....	119
Liabilities:	
Capital stock, surplus, and undivided profits.....	119
Circulation outstanding.....	119
Due to banks.....	119
Individual deposits.....	120
United States deposits.....	120
Bonds and money borrowed.....	120
Bank acceptances.....	121
Total resources and liabilities.....	121
Classification and amount of loans by national banks in the central reserve cities, etc., June 30, 1920.....	121
Comparative statement of loans by national banks during the past three years.....	122

Rate of interest paid by national banks on deposits and number of banks reporting each rate on May 4, 1920.....	123
Rates of interest charged by national banks on loans and number of banks reporting each rate on May 4, 1920.....	128
Classification of loans by national banks in the city of New York for five years, June, 1916, to June, 1920, inclusive.....	132
Paper eligible for rediscount with Federal reserve banks, held by national banks, in country and reserve cities, by geographical districts.....	132
Statement showing the amount of paper eligible for rediscount with Federal reserve banks, November 17, 1919, as compared with June 30, 1920, classified by Federal reserve cities and States.....	133
Classification of rediscounts, together with the total of loans and discounts, as shown by the reports of national banks, May 4, June 30, and September 8, 1920.....	136
Loans made by national banks for their correspondents, May 4 and June 30, 1920.....	144
Amount of money loaned by national banks, either by direct loans or through bought paper, to parties who keep no deposit accounts with the banks, and number of such loans, February 28, 1920.....	146
Rediscounts of national banks with Federal reserve banks, classified by States (country banks) and reserve cities, November 17, 1919.....	150
Principal items of national-bank resources and liabilities on September 8, 1920, arranged by States.....	151
Loans and discounts and investments of national banks.....	153
Domestic and foreign bonds, securities, etc., owned by national banks, May 4, 1920.....	154
Classification of foreign Government bonds owned by national banks on June 30, 1920.....	158
Classification of investments made by national banks.....	158
Domestic and foreign securities held by national banks.....	159
Balances due national banks from Federal reserve banks.....	160
Specie and gold and silver certificates in national banks.....	160
National-bank charters applied for, granted, and refused.....	161
Increases and reductions of capital stock of national banks.....	161
Liquidation of national banks.....	161
Consolidation of national banks.....	161
National banks consolidated under act of November 7, 1918, their capital, surplus, undivided profits, and aggregate assets, year ended October 31, 1920..	162
Growth in number and capital of national banks.....	162
National banks organized since 1900.....	163
State banks converted or reorganized into national banking associations since 1900.....	163
Organization and liquidation of national banks.....	163
Number and authorized capital of national banks organized and the number and capital of banks closed in each year ended October 31, since the establishment of the national banking system, with the yearly increase or decrease	164
Number of national banks organized, in liquidation, consolidated under act of November 7, 1918, insolvent, and in operation, with amount of bonds on deposit, and circulation issued, redeemed, and outstanding on October 31, 1920.....	165
Number of national banks organized in voluntary liquidation, consolidated under act of November 7, 1918, insolvent and number and capital of associations in active operation on January 1 of each year from 1864 to 1920.....	166
National banks chartered during the year ended October 31, 1920.....	167
Number of national banks chartered in each month from March 14, 1900, to October 31, 1920.....	174
Number of national banks increasing their capital, together with the amount of increase monthly, January 1, 1916, to October 31, 1920.....	174
Number and classification of national banks chartered during the year ended October 31, 1920.....	174
Conversions of State banks and primary organizations as national banks since 1900.....	175
Number and capital of State banks converted into national banking associations in each State and Territory from 1863 to October 31, 1920.....	175
Capitalization of national banks classified by States.....	175

	Page.
Summary by States, geographical divisions, and classes of national banks organized from March 14, 1900, to October 31, 1920, and the paid-in capital stock of all reporting national banks on September 8, 1920.....	176
Expirations and extensions of charters of national banks.....	177
Number of national banks in each State the charters of which were extended under act of July 12, 1882, to October 31, 1920.....	177
Reextension of national-bank charters.....	178
Changes in capital stock of national banks, increases and reductions.....	178
Changes in title of national banks.....	179
Changes of title incident to consolidations of national banks.....	180
Failures and suspensions of national banks.....	180
Causes of national-bank failures.....	183
Principal causes of failure of national banks in past 57 years.....	183
National-bank failures since inauguration of the system.....	184
National-bank failures by years, 1864 to 1920, showing each year, number of failures, capital of failed banks, capital and total resources of all national banks, and percentage of capital of failed banks each year, to total capital of all national banks.....	185
National banks organized, failed, and reported in voluntary liquidation during the year ended October 31, 1920.....	186
Bank investments in United States securities.....	187
United States bonds eligible as security for national-bank circulation.....	187
United States bonds deposited as security for circulation by banks chartered and by those increasing their circulation, together with the amount withdrawn by banks reducing their circulation, and by those closed, during each month, year ended October 31, 1920.....	188
Profit on national-bank circulation.....	188
Redemption of national-bank notes.....	188
Bank currency received for redemption, by months, from November 1, 1919, to October 31, 1920.....	189
Principal sources of bank currency received for redemption for the year ended October 31, 1920.....	189
Statement of national-bank currency issued to banks from November 1, 1919, to October 31, 1920.....	190
National bank circulation.....	190
Yearly increase or decrease in national bank circulation from January 14, 1875, to October 31, 1919, and quarterly increase or decrease for the year ended October 31, 1920.....	190
Denominations of national bank circulation.....	191
National bank notes outstanding October 31, 1920.....	191
Vault account of national bank circulation.....	191
Interest bearing debt of the United States, June 30, 1920.....	192
Investment value of United States bonds.....	192
United States bond market quotations.....	192
Federal reserve notes.....	192
Weekly statement of Federal reserve notes outstanding (amount issued by Federal reserve agents to the banks, less "unfit" notes returned for redemption), amount secured by gold, and amount secured by commercial and other eligible paper from December 5, 1919, to November 26, 1920.....	193
Statement of Federal reserve notes, by denominations, printed, shipped to Federal reserve agents and United States subtreasuries, since inauguration of Federal reserve system, and on hand in reserve vault, October 31, 1920.....	194

Mutilated Federal reserve notes, by denominations, received and destroyed since organization of banks and on hand in vault, October 31, 1920.....	198
Federal reserve bank notes.....	199
Issue of \$1 and \$2 Federal reserve bank notes.....	199
Statement showing the total amount of Federal reserve bank notes, by denominations, issued to Federal reserve banks upon the deposit of securities under the provisions of the act of April 23, 1918.....	199
Total amount of Federal reserve bank currency printed by the Bureau of Engraving and Printing, issued and on hand, from the inauguration of the Federal reserve system, to October 31, 1920.....	200

	Page.
Federal reserve bank notes—Continued.	
Total amount of Federal reserve bank currency issued, redeemed, and outstanding from the inauguration of the Federal reserve system, to October 31, 1920.....	201
National, Federal reserve notes, and Federal reserve bank notes, year ended October 31, 1920.....	202
Ratio of paper secured by Government war obligations to total bills held by the Federal reserve banks on the last Friday of each month during 1920.....	202
Federal reserve system.....	202
Statement showing the condition of the 12 Federal reserve banks at the close of each month, from June 29, 1917, to November 27, 1920.....	203
Discount rates of Federal reserve banks.....	204
Rates for money in New York.....	204
Range of rates for money in the New York market, year ended October 31, 1920.....	295
Changes in the principal items of assets and liabilities of national banks at the date of each call, November 17, 1919, to September 8, 1920.....	206
Relation of capital of national banks to deposits, etc.....	207
Percentage of the principal items of assets and liabilities of national banks.....	207
Reserve.....	207
Reserve required and held by national banks in reserve cities, etc.....	208
Classification of loans made and deposits in national banks as of January 31, 1920, in reserve cities and cities of 50,000 or more population.....	209
Classification of loans (including paper bought) made by 595 national banks in certain cities, as of January 31, 1920, showing separately loans made to banks and bankers, loans made to borrowers who keep deposit accounts with the lending banks, loans made to those who keep no deposit account, and loans placed for account of correspondents.....	210
All loans made by the 595 national banks in certain cities, as of January 31, 1920, arranged according to location of borrowers in each geographical division—Total of loans and discounts.....	214
Deposits held January 31, 1920, by the 595 national banks in certain cities for the credit of other banks, State and national, and trust companies, arranged by geographical divisions—Balances to credit of correspondent banks.....	218
Growth of national banks since passage of the Federal reserve act, in reserve cities and elsewhere in the country.....	222
Principal items of assets and liabilities of national banks, 1913–1920.....	223
Domestic branches of national banks.....	225
Foreign branches of national banks.....	227
Condition of the foreign branches of the National City Bank, New York, N. Y., and the First National Bank, Boston, Mass., on June 30, 1920.....	228
Banks other than national.....	232
State, savings, private banks, and loan and trust companies.....	232
Summary of reports of condition of 22,109 banks other than national, June 30, 1920.....	232
Resources and liabilities by classes of 22,109 State, savings, and private banks and loan and trust companies, June 30, 1920.....	233
Five-year statement, principal items of assets and liabilities of reporting banks, other than national.....	234
State banks.....	234
Comparison of condition of mutual savings banks in the United States in June, 1919 and 1920.....	236
Number of mutual savings banks in each State, number of depositors, and the average amount due each depositor on June 30, 1919 and 1920.....	237
Stock savings banks.....	238
Number of stock savings banks, number of depositors, aggregate deposits, and average deposit account, by States, June 30, 1919 and 1920.....	239
Mutual and stock savings banks.....	240
Number of savings banks in the United States, number of depositors, amount of savings deposits, average amount due each depositor in the years 1820, 1825, 1830, 1835, 1840, 1845, and yearly to 1920, and average per capita in the United States in the years given.....	241
Loan and trust companies.....	242
Principal items of resources and liabilities of loan and trust companies, 1914 to 1920.....	243
Private banks.....	243
Abstract of condition, by States, all banks other than national, in the continental United States and island possessions, on or about June 30, 1920.....	244

	Page.
Comparative statement of the condition of all reporting national and State banks in the United States.....	249
Principal items of resources and liabilities of the 22,109 reporting banks other than national in the United States and island possessions, and 8,030 national banks, on June 30, 1920, together with the grand total.....	250
Comparison of the principal items of resources and liabilities of national banks and other reporting State banks for the years 1920 and 1919.....	250
Comparative statement of growth in resources of national and State banking institutions for 5-year period.....	251
Statement of the principal items of resources and liabilities of reporting banks, including the Federal reserve banks in the United States and island possessions, June, 1920.....	252
Summary of the combined returns from all reporting banks in the United States and island possessions, June 30, 1920.....	253
Assets and liabilities of all reporting banks in each State.....	254
Condensed statement, by States, of assets and liabilities of all reporting banks in the United States, June, 1920.....	355
Statement of resources and liabilities of all reporting banks, 1915-1920.....	259
Growth of all reporting banks, 1863 to 1920, inclusive.....	260
Individual deposits in all reporting banks.....	262
Cash in all reporting banks.....	262
United States postal savings system.....	263
Postal Savings Bank of Manila, Philippine Islands, condition of, June 30, 1920.....	267
Federal farm loan system.....	267
Farm loan associations.....	270
Joint-stock land banks.....	272
Building and loan associations in the United States.....	274
Statistics for 1919-20.....	275
Building and loan associations in the District of Columbia.....	276
Financial institutions in the District of Columbia.....	276
Earnings, expenses, and dividends of savings banks and trust companies in the District of Columbia.....	277
