Glossary of Budget Terms 1

List of Charts and Tables 7

OMB Contributors to the 1992 Budget 19

Index 23

GENERAL NOTES

1. All years referred to are fiscal years, unless otherwise noted.
2. Detail in the tables, text, and charts of this volume may not add to the totals due to rounding.
3. Passage of the Omnibus Budget Reconciliation Act of 1990 in mid-November made preparation of the 1992 budget by the legal transmittal date of February 4th especially difficult. The President's 1992 budget had to comply with technically complex new spending caps, pay-as-you-go limits, and reforms of Federal credit programs. If, as a result, errors have been made, they will be corrected as soon as they are identified.
