Memorandum on Frederic Adrian Delano Papers

According to a letter written by Miss Katharine Brand of the Library of Congress, the papers of Frederic Adrian Delano, member of the Board of Governors from 1914 to 1916 (?) and in the 1930's Chairman of the Federal Reserve Bank of Richmond, have been divided between the library at Princeton University and the Roosevelt Library at Hyde Park. The disposition of these papers was apparently made by Mr. Delano's daughter, Mrs. James L. Houghteling of 2431 Kalorama Road N. W., Washington, D. C. Thus far, we have no specific information as to where those papers which concern the Federal Reserve System have been placed, but Miss Brand has suggested to Mrs. Houghteling that papers as yet unassigned should go to Hyde Park.
