DESCRIPTION OF LIBRARY - Federal Reserve System, Money, Banking, Credit, Public finance, Business economics and statistics, Foreign area information, particularly banking and finance.

(Supplementary)

DESCRIPTION OF LIBRARY

A financial library specializing in economics with emphasis on the following subjects:

BANKING, MONEY, FINANCE

This section comprises 40 per cent of the collection and contains standard textbooks on banking and finance and the best of the new publications as they appear.

Other resources are: Congressional hearings and reports issued since 1920, including the Agricultural Inquiry of 1921, the Stabilization Hearings and Temporary National Economic Committee Hearings; Securities and Exchange Commission reports; National Resources Committee studies.

The pre-Federal Reserve period is covered by complete file of National Monetary Commission reports, the report of the Money Trust Investigation of 1912-13 and reports of the Secretary of the Treasury 1790 to date, and other long runs of government reports and of financial periodicals such as Merchants Magazine and Commercial Review 1839 to 1870, Commercial and Financial Chronicle 1866 to date, and others.

FEDERAL RESERVE SYSTEM

Contains best collection on this subject exclusive of that in the Library of the Board of Governors of the Federal Reserve System in Washington, D. C.

Includes all annual, monthly, weekly or periodic reports and other publications of the Board and of the 12 Federal Reserve District Banks; all Congressional hearings and reports relating directly or indirectly to Federal Reserve.

BUSINESS CONDITIONS AND STATISTICS

This section comprises about 35 per cent of the collection and contains standard text-books on economics, such as those by Adam Smith, John Stuart Mill, David Ricardo and others; a selected collection of books, pamphlets, reprints, speeches of modern economic writers; files of statistical series covering production, prices, stocks, and other pertinent figures for commodities and for industries; files of periodical indexes and government reports including the United States Senate Finance Committee report on Wholesale Prices, Wages and Transportation, 1893; United States Select Committee on Wages and Prices of Commodities, 1911; and complete file of United States War Industries Board - Price Bulletins 1919.

CENTRAL AND OTHER FOREIGN BANKS

Includes charters and laws governing important central banks of the world, their annual reports, and their weekly and monthly statements.

FOREIGN STATISTICS

Government yearbooks and other statistical publications for foreign countries; foreign monetary and general banking laws; war-time foreign exchange regulations.

Library publications: "Newspaper Review", daily. Gives digests of economic news items in New York daily newspapers

"Library News", semi-monthly. Gives recent accessions with descriptive notes
