HANDBOOK OF LATIN AMERICAN STUDIES: 1940, no. 6: a selective guide to the material published in 1940 on anthropology, archives, art, economics, education, folklore, geography, government, history, international relations, language and literature, law, libraries, ~~music~~ and philology. Cambridge: Harvard Univ. Press for American Council of Learned Societies, 1941. Pp. 587.

This is a masterpiece of bibliographical research. The entries are classified as to content and each entry is numbered for cross-reference purposes. Published

materials in the field of economics have been canvassed and edited by Leland H. Jenks, Frank W. Fetter, and Roberto Simonsen.

Each article entered in the bibliography is summarized in a sentence or two.
