LEHFELDT, R. A.

"Credit issues and price level," ECONOMIC JOURNAL,
December, 1926.

Writer thinks that still further light is necessary on the mechanism of inflation and the extent of the levy which the money-issuing authority can extract from the public by means of inflation. These subjects were treated in D. H. Robertson's book on Banking Policy and Price Level and in an article by A. C. Pigou (Economic Journal) discussing that book.

Abstract by W. O. Weyforth, AMERICAN ECONOMIC REVIEW, XVII, June, 1927, p. 382.
