Willis, Henry Parker

International American banking. (In: The  
Banker, London, April 1930, p.47- )

The academic community is disposed to look with more and more doubt upon the failure to give to the B.I.S. the power to issue notes or to make acceptances..These handicaps are believed to make it the instrument of existing bankers.

---

B.I.S.

Willis, H.Parker

The United States and the New international bank. (In: The Banker, Aug.1929, p.193)

It seems to be a tolerably prevalent opinion that the working of the institution would make it very much more difficult for the United States to control its own course of action with regard to the gold it now holds than would otherwise be the case.
