Triplicate

The Federal Reserve Banks and the Open Market for Acceptances, HARVARD BUSINESS REVIEW, Vol. I, April, 1923, pp.

Reserve System is not designed to furnish banks with additional working capital permanently. Larger banks should rediscount paper very sparingly; but smaller banks should do so freely in certain seasons.

WARBURG, Paul Moritz.

Paul M. Warburg urges establishment by Federal Reserve Board of principles for guidance of banks in use of rediscount facilities.
