"The Changing Outlook for Investment Banking"  
(Abstract), THE AMERICAN ECONOMIC REVIEW, XXXII, No. 1,  
Part 2, March, 1942, pp. 212, p. 212.

---

Topics discussed:

- the maintenance of existing federal security regulation;
- the development of new sources for equity capital--especially for small and growing companies
- types of business available to investment bankers during the war if new capital issues disappear
