PAUL, Randolph

TAXATION IN THE UNITED STATES. Boston:
Little Brown, 1954. Pp. xii, 830.

Tax and fiscal policies since 1930's--appraisal
of recent tax and fiscal policies.

The tax history of the U.S. up to great depression is covered in 1st 165 pp. Remainder of book is concerned with discussion of tax and fiscal policies of '30s. The development of these policies, the differing interests and points of view, and the consequences of the policies adopted are discussed in detail.

Author's views on policy are expounded throughout book, which as a whole is useful appraisal of recent tax and fiscal history
