edness

Falkner, Roland P.

The volume of indebtedness in the United States in relation to economic recovery. (In: Management Review, July 1933, p. 195-204)

Contains table of interest-bearing debt, classified by borrowers, 1922 and 1929; also estimates of debt in 1929 by various compilers.

Clipped and filed in v. f.

M

v.f.                    Indebtedness  
Infla. & Gragg, Charles I.  
defla.                an alternative to inflation, the need for  
                      general readjustment of debt level to price level.  
                      (In: Barron's, Feb.5, 1934, p.8)

The alternative to raising prices to existing  
debt level is to reduce debt level to existing  
price level.

Clipped and filed in v.f.

Harwood, E.C.

The Public Debt. (In: Banking, Journal of the A.B.A., Nov. 1934, p. 30-31.)

It is fairly certain that Government deficits can be financed by offering bonds to the banking system. The proceeds...can be forced into business with inevitable inflationary effects. It seems... that we are to follow...this course...with resulting inflation.
