BELLIGERENT CLAIMS AND AMERICAN COMMERCE IN THE  
YEARS 1914-1915. New Haven: Yale University Press,  
1915. Pp. xiv, 340.

---

Questions of international law are given prominence  
The extent as well as the economic consequences of  
British interference with American trade are exaggerated,  
and much of the criticism directed against Great Britain  
has a modicum of validity only because that country de-  
ferred placing many articles upon its list of contraband  
during the first year of war. O.M.W. Sprague, AMERICAN  
ECONOMIC REVIEW, VI, March, 1916, p. 101.
