GRETHER, E. T.

Preparedness for war and general economic policy, ~~AMERICAN ECONOMIC REVIEW~~, SUPPLEMENT, v. 39, May, 1949, pp. 366-377.

While price controls were probably not required at the time, they would be needed if US military expenditures expanded very much. If we approached 'a war footing' we would have to adopt step by step much the same pattern of direct controls that we developed in W.W. II.

HALEY, Bernard F.

Are Price Control and Rationing Necessary?
AMERICAN ECONOMIC REVIEW, SUPPLEMENT, Vol. 40, May,
1950, pp. 199-208.
