STRAKOSCH, H.

"The stabilising of exchanges," BANKERS'  
MAGAZINE (London)

November, 1921.

Pp. 9

---

The disequilibrium of the exchanges is due to the existence of deep-seated economic derangement. Obstacles to improvement are money inflation, unstable political conditions, governmental interference in economic life of the people, maintenance of barriers in the way of freedom of international exchange of goods, and the existence of huge national debts.

Abstract by W.R. Whitney, AMERICAN ECONOMIC  
REVIEW, XII, June, 1922, p. 366.
