KEMMERER, Edwin W.

Following the granting of dictatorial powers to the President of Pland in Dec. 1923, stabilization of the Polish mark was effected. The usual methods—increasing of taxation, balancing of the budget, eventual although not immediate cessation of paper emissions, and purchase and sale of dollar exchange at fixed rates by the Polish State Loan Bank were the means.

Abstract by W.O. Weyforth,
AMERICAN ECONOMIC REVIEW,
XV, March, 1925, p. 184.
