

COMMITTEE ON THE HISTORY OF THE FEDERAL RESERVE SYSTEM

Register of Papers

I

Processed: MA
Date: 10/25/55

WILLIAM WILSON CUMBERLAND

(1890 - 1955)

Most of the papers belonging to William W. Cumberland, economist, public official, expert on foreign exchange, author, were systematically destroyed after his death by the executor of his estate. He did, however, dictate his memoirs to the Oral History Project at Columbia University. They are open for use to qualified students.

See internal memorandum, 8/1/55
